Hawthorn Titans started off as a relatively small Club within the Hawthorn Basketball Association in 2005.

Starting with 17 teams, Hannah saw the potential to showcase some of Melbourne's best players by growing the number of teams to 55 in a few short years.

Hannah has had an extensive and successful career as a player & coach, focussing on her development on:

- Junior Domestic
- Junior Championship
- Big V (10 MVP listed players of all time)
- Head Coach
- Hawthorn Titans Basketball Club CEO

Above all of this, Hannah is a respected Executive Committee Member of the Hawthorn Basketball Association, acknowledging her commitment and perseverance with junior basketball.
