## **PRESIDENT'S REPORT**

The Sandringham Football Club has again achieved another profitable year. Unfortunately our senior team finished outside the final eight for the third time in as many years. The Board along with our new coach Brett Lovett and our members and players are all working hard to ensure our alignment with St Kilda continues to grow.

I congratulate the St Kilda Football Club on making the AFL Grand Final and their achievements along the way. Thank you to President Greg Westaway, the St Kilda Football Club Board, Ross Lyon, his coaching staff, players and administration staff, CEO Michael Nettlefold, Anthony Moore and his team in supporting Sandringham Football Club and our alignment.

The Sandringham Football Club is strong and successful because of everyone pulling together for a common cause and this is evident in the dedication and devotion of our support staff, volunteers and community support. Thank you to the individual leaders within each group, Rob De Nardis, Noeleen Rice, Bruce Bowles, Lloyd Poad, Wal and Joy Williams, Margaret Brodie, Deb Hampton, Shirley Cross and numerous other volunteers.

Sponsors are extremely important to the Sandringham Football Club and we thank them for their ongoing support in helping us achieve our goals, and for their support of our charities. Special thanks to Robert and Adel Merola (SEW Eurodrive), Simon Tori (Veolia), Gordon and Michele Duncan (Linenhouse) and to all our sponsors, thank you for your support. All our sponsors are equally valuable to the success of the Sandringham Football Club.

I wish to thank the Rampaging Zebras Coterie members and their families for their contribution to the on and off field success of the Club throughout the year. To their President David Marshall I thank you for all your support over the last two years and wish you well in your retirement. I look forward to working with the incoming President John Fowler and his group in 2011.

I am grateful for the support of John Mennie our General Manager, Lucas Blatman and John Kempf as well as all members of the Sandringham Football Club Board. This has been a most difficult year off the field for the Sandringham Football Club, possibly the most difficult in the Club's history and I again thank John Mennie for his support of the Sandringham Football Club above and beyond the call of duty. I doubt without John's commitment the Sandringham Football Club would have achieved the off field success and the positive position the Club is in today, enabling us to move forward in the future. John Kempf is retiring as treasurer but will stay on the Board, Trevor Cook will assume the role as treasurer with John continuing his role in the office as a volunteer. I thank John personally for all the hard work and commitment he has given as treasurer for many years.

I would like to acknowledge Doug Gardner for his support of Sandringham Football Club and the players throughout the year. We welcome your ongoing financial and hands on support of the Club.

To Andy Lovell, Jeremy Barnard, Grant Holman, Paul Hopgood, and their support staff, thank you for your contribution in 2010. Andy has now moved onto a coaching role with the new Gold Coast Suns and I thank him for his time and efforts at the Sandringham Football Club as senior coach and wish him and his family well and every success for the future.

I would like to acknowledge, Nicholas Sautner as our captain and games and goals record holder. I wish all players that have retired or are moving on, all the best in their future endeavors.

Our new ground lighting has been completed and will enable our players to take full advantage from now on with improved lighting for training. Our new Social Club has opened and I wish to thank John Mennie, Steve O'Sullivan, Dave Burgin and Dennis Galimberti along with many others for their hard work and commitment in getting these projects completed.

The integration of the Sandringham Dragons into the Sandringham Football Club as one Club is continuing. We will continue to work with the AFL and AFL Victoria in progressing this in 2011 and beyond. Thank you to Ryan O'Connor and his team at the Sandringham Dragons for their support in 2010 and we look forward to working with him and his team in the future.

I would like to welcome our new coach Brett Lovett and his team to the Sandringham Football Club and wish them every success both on and off the field. Brett understands that we want the Sandringham Football Club back in our rightful position as premiers of the VFL.

Finally, we need every Sandringham Football Club member, player, past player, volunteer, and supporter to get involved and support our alignment both on and off the field, ensuring not only our financial success but also success on the field by firstly making the finals and then building on that success.

Gerard Ryan  
President

## GENERAL MANAGER'S REPORT

During the off season we made a conscious effort to recruit a number of experience players to replace the premierships players that were no longer at the Club. Although we managed to strengthen our list we still endured another disappointing year, with our senior team again missing out on the finals. To the teams credit they fought out most games and on only a few occasions did they fall well short. Andy and his coaching staff were passionate about bringing success to the Club, but the inexperience of our list cost us dearly in a number of games. There was however a positive from the year with a number of our younger players being given the opportunity to play senior games during the season. Jeremy Barnard and his reserve team did themselves proud by making it through to the preliminary final after adopting a never give up attitude.

The refurbishment of the Social Club became a real focus after work commenced in October 2009. There were a number of challenges along the way, but in the end we have a facility that we can all be very proud of. A lot of people very generously donated money through the Australian Sports Foundation and a number of others supported the project through loans. A big thank you goes to all of them as without their generosity the works would not have been completed. The balcony is still a work in progress but should be completed by the time of our AGM.

St Kilda has again supported us both on and off the field and their cooperation is very much appreciated.

The Club has recorded a modest profit in a very trying year. It was pleasing that sponsorship was up given the economic crisis the world was experiencing, but unfortunately some other areas including fundraising and the Social Club were down for varying reasons.

The Rampaging Zebra's Coterie led by President David Marshall again contributed significantly to the Club's fundraising endeavours. The Coterie lunches held throughout the year were very well attended and raised a lot of money. John Fowler was instrumental in their success and I thank all concerned for their support.

SEW Eurodrive, Barloworld, Veolia and Linen House continue to support us as major sponsors and we are very grateful to have such great companies as partners. We thank them and our other sponsors, including Asko, Brickwood Holdings, Bendigo Bank, Le Pine Funeral Services and ALH for their support.

I thank Gerry and the committee for their ongoing leadership and support. John, Lucas and Margaret for their work and cooperation in the office, Dave Burgin for his commitment to the Social Club, Anita, Don McKellar Bruce Bowles, Lloyd Poad, Grahame Steele, Roly, Andrew Burton, Geoff Combe, John Lysaght, Mark Brodie, Rob De Nardis, Noeleen Rice, Wal and Joy Williams and all the training and support

staff for their valued assistance. The dedicated support of Shirley Cross, Deb Hampton, Peter Price and Graeme Winn is much appreciated. A special thank you to them all and everybody else that contributed throughout the year.

John Mennie  
General Manager

## **TREASURER'S REPORT**

This will be my last report as treasurer as I am standing down in favour of Diane Cook a qualified accountant, who will join her husband Trevor Cook on the Board. Diane and Trevor have been Gold pass members since 2004 and have been working during the year on upgrading our accounting systems to meet future requirements with our increased business through the function room. I believe it is important for this change to take place now whilst I am still able to support the new treasurer as I will continue to carry out the day to day bookwork in the office.

Only a small profit for the year contributed by increased costs for player payments and administration costs. The opening of the new function room Sandy by the Bay, and its increasing popularity for functions has seen income from the venue up on last year, a good sign of things to come from this exciting new venue. Income from the kiosk and beer booth is down mainly due the wet and windy weather we had for most home games, and the even worse weather for the VAFA finals. Fundraising was up, a good result considering the economic climate. The Dinner Auction was down but fundraising from the Coterie Club was up. Unfortunately sponsorship was down due to the loss of several sponsors from the previous year.

The total cost to the Football Club for the renovations including the new kitchen and toilets at the 31<sup>st</sup> October is \$299,790 with an additional amount of approximately \$35,000 to be paid for the completion of the balcony. The extension to the function room has meant the purchase of new chairs, tables, blinds, crockery and a new commercial dishwasher at a cost of over \$30,000. Payment for all this expenditure has been met by grants and donations of \$126,300 a loan of \$100,000 from the Bendigo Bank and loans from members of \$109,500 in all a total of \$335,800. A special thanks to all the members who have made donations and advanced loans, which has enabled the Club to complete the renovations to a very high standard.

As treasurer for the last 16 years there are too many people to thank individually for their assistance during this time, but I must pay tribute to our late President, Gary Gilchrist whose support and friendship got me through some very difficult times both personally and professionally.

Thank you all,

John Kempf  
Treasurer

## **SENIOR COACH'S REPORT**

As I write this report it not only signals the end of the 2010 season but also my tenure as coach of the club after 3 years. Firstly I would like to acknowledge the members of the committee in particular President Gerry Ryan for his unwavering support and friendship; John Mennie who has worked tirelessly to ensure the club runs efficiently and I congratulate him on achieving Life Membership of the VFL. To John Kempf, Graham Steele, Roly and Fred for all their help and friendship thank-you you are the heartbeat of the club.

Obviously season 2010 didn't reach the heights that many expected, but the club in my opinion took a significant step forward in what has certainly been a transition period. Season 2008 was to become the end of an unprecedented period of success in the clubs history and the past 2 seasons have been the re-invigoration of the playing list, albeit from the bottom 3 up. 28 players were turned over and opportunities given to a number of younger players with real potential which will see the likes of Tregear, Ferraro, Nash, Hallahan, O'Sullivan and the like become long term players for the club in years to come.

There is no doubting the critical need to recruit a number of quality senior players in order to help support this younger group of future stars and enable the club to once again play finals football and ultimately win a premiership. The football department is positioned strongly with its personnel including strength and conditioning staff, medical staff, stats personnel and trainers being the most professional in the competition. Along side these are a fantastic group of volunteers who deserves acknowledgement and thanks for their tireless work.

Many thanks must go to my support staff Paul Hopgood, Jeremy Barnard and Grant Holman, a group of blokes who were professional, hard working and supportive. Thanks also to John Ahern, Paul Howroyd, Paul Stevens, Emma Gallagher and Jim Whitla who were all integral parts of our team. The club's fitness staff are fantastic, Glenn Thomson, Andrew Schnieder and Dean Filopoulos are the best in the business. To Rob De Nardis, Erin and Brandon thanks for your professionalism and hours of overtime. Noeleen and her team of trainers, the players could not cope without you, well done on your efforts. Thank you to Luke O'Brien and Lucas Blatman who do all the hard yards in the office, it's a thankless job! Special mention to Bruce Bowles and Lloyd Poad, attention to detail in footy clubs is paramount; I couldn't have worked without you both. To the supporters and sponsors, the club is working hard to re-establish itself as a contender within the competition.

Finally to the players, we have a very motivated core group who are desperate for success and I know they will keep striving to improve their preparation and performance. I was presented with a fantastic opportunity to coach a proud football club with a rich history and I will be forever grateful. The future holds many challenges but the board have appointed a highly experienced coach – Brett Lovett to oversee the next phase of its rebuild who I'm certain will be a huge asset. Good Luck.

Andy Lovell  
Senior Coach

## **JUNIOR DEVELOPMENT REPORT**

Junior Development in 2010 focused strongly on the local Auskick programs. Eight of the nine Sandringham home games were booked by local Auskick clubs, with many clubs asking if they could participate again later in the season.

Auskick clubs to participate in the program this year included Highett, Caulfield, Mentone, Elsternwick, Valkstone, Cheltenham, East Sandringham and Malvern. The experience that the children and parents receive on match day certainly puts the Sandringham Football Club in a positive light within Bayside and surrounding areas. Each game, between 15 and 30 kids come through the gate with around 10-12 parents attending, our club and brand is receiving a great level of exposure. Speaking with parents and Auskick co-ordinators they enjoy a day at the local footy and the kids certainly get a kick out of running around at half time, if we can get even a small percentage of these parents and kids coming back and watching games it is a great result.

A strong feature of Junior Development in 2010 was the push for local clubs to come down and have a football clinic hosted by the Sandringham players. Bruce Bowles was instrumental in promoting this within the local community and a massive thank you must go to the players in particular Kallen Geary, Maddison Hardiman, Jay Bruno, Shane Tregear, Jonno Nash and Ricky Ferraro who gave up their time to take the youngsters through their paces, Rick Ferraro also presented the Trevor Barker Award at the East Sandringham Junior Footy Club Best and Fairest.

Junior Development continues to grow and it is highlighted by the amount of young kids and their families that regularly attend Sandringham games. This will continue to grow as we wheel out more extensive programs and better initiatives for 2011.

Thank you to all the Auskick co-ordinators and parents that dedicate their time to helping organise and support these games. A special thanks also to Shirley Cross and her kiosk staff for providing the young ones with pies and drinks after their games.

Junior Development is one area that we, as a club must concentrate on in years to come to ensure our survival within the community and ensure that the younger community has a club that they can support long into the future.

Lucas Blatman  
Junior Development Manager
