

QBE Sydney Swans Academy Athlete Assessment Day

- We are looking for boys aged **10-12yrs old** who have the **passion** and **desire** to be an elite athlete.
- Be assessed by **Paul Roos** and Senior Academy Staff.
- The Assessment Day is **open** to boys from all sports and you do not need to have any AFL experience.

The **QBE Sydney Swans Academy** provides talented boys with an elite training environment. Boys aged between 11 and 18 attend training sessions in Sydney and Regional NSW under the guidance of our head coach, Paul Roos.

We want to give more young boys the opportunity to be part of our quality program.

If you would like the chance to be selected in the QBE Sydney Swans Academy for 2013, we are extending this invitation for you to attend our **Athlete Assessment Day** in the July school holidays.

Boys will be assessed by Paul Roos and his Senior Academy Staff. You will play a range of different games and take part in activities that test ball skills, balance & co-ordination, rather than skills specific to AFL.

IMPORTANT

Whilst we welcome all 10-12yr old boys to come along and be assessed, **Sydney Swans Academy placements** can **ONLY** be offered to those who reside within the **Sydney Swans Academy Zone** – for a list of eligible zones, please click **HERE**
