

# Tahiti WELCOMES

## 2013 Oceania Junior Badminton Championships

"Tahiti" - a word that evokes images of lush tropical landscapes; of crystal clear azure lagoons surrounded by soaring volcanic peaks, it is the stuff of dreams and legends.

Book with one of our Tahiti Badminton's preferred accommodation partners to take advantage of the complimentary transport to and from the Badminton event each day.

Please note that for hotel bookings, they must be made by the team managers for the players or by the players themselves using the information below.
