

U15 Boys Sunday November 11th

Loddon Mallee v Central City

Central City scored a quick fire goal in the first two minutes after which Loddon Mallee went on to settle and controlled the ball well. Loddon Mallee had a chance to make it one all with a break up down the wing, which followed 4-5 other attempts which kept the crowd entertained, including Tom Houlden's great crack from outside the box, just collecting the cross bar. Central City scored two goals which we could say stretched the off-side rule! A goal before half time left it 4-0 at the break. To the boys credit the boys restricted Central City to just the one goal in the second half and LMC had 3-4 good opportunities themselves. Some great attacking play resulted in 2 direct free kicks and one penalty, which the boys were unlucky not to convert. All in all they should be proud of their efforts, Central City are an excellent side who had come off with a 6-0 win against Western Wolves the day before. Both Donte and St Ares did a great job in goals under a lot of pressure from the Central City big strong forwards.
