

## **L.M.L U/13 Girls** 18/11/2012

Game at Moama against North West Wanderers

Result 2 goals to 6.

Having being the first game this season I have seen, I was very impressed with the way the Girls played. The score doesn't justify the game with a couple of close calls on penalty decisions going against the home side. The girls held their heads up and played some great soccer. Both sides had their even share of the ball, NWW were able to finish it off a bit better. The two goals that were scored by the girls was due to some great defence and passing. All I've got to say to the girls is listen and practice to what Coach Tony has to show and say to you at training, and the results will start showing on the pitch.

Cheers Rod
