

### **Loddon Mallee FC v's Southern Bluetongues U13 Match Report 1/12/12**

Our girls came out with all guns firing. The SBT girls were a lot bigger and seemed to be stronger, but the LMFC girls weren't put off. They played the ball around well and our defense, with Paige and Megan, was very strong. SBT scored a lucky goal at the 14 minute mark, leaving the half time score 1-0. The LMFC girls kept on fighting in the second half and actually dominated the game, having nearly all of the play. There were a couple of unlucky misses at goal by our girls. Rachel kept the score 1-0 until the 49<sup>th</sup> minute when SBT scored again off a miss kick from our team. What a fantastic game by our girls, with the smaller girls putting in extra hard. Final score was 2-0 to SBT. The score does not do justice to the game. They are getting better and stronger each week.
