

UNDER 13 GIRLS MATCH REPORT LMFC V'S EASTERN SUNDAY 2/12/12

Loddon Mallee U13G came up against Eastern, who were sitting just below them on the ladder. The girls got off to a bad start giving away a goal in the first 5 minutes of the game. The girls kept on fighting and came within metres of the goals but were still unable to kick the ball in the back of the net. They continued to play the ball around well, but were unlucky conceding another goal. The girls didn't drop their heads and Paige with her speed and skill ran down the middle of the pitch to put away their first goal of the match just before half time. The girls were unlucky to lose their captain Megan who went down with a knee injury, she played a great game defending and attacking. They played the ball wide to Caitlin who ran it up the line but was unlucky to sneak in another goal just missing the far post. Leaving the score at 2-1 at the end of the match.
