

## Round 7

Sunday 2<sup>nd</sup> December

Sunday dawned heralding an 8:00am gathering with a 9:00am kick off at Jubilee Park, Ringwood. The weather had cooled considerably after Saturday and as we hunted for jackets we reflected that there would be no burnt faces today. The setting was leafy and the synthetic pitch, quite new. Our opposition was Eastern FC, a team with a number of very accomplished players, so here was our chance for a skillful match. Those watching admired shows of skill from both sides. Brenton took some beautiful runs and during one of these, a spectator asked some of us “Who is that amazing young player?” Jesse also played well, taking on the opposition and making a number of attempts at goal. Eli was in good form with some lovely passes to Jesse, and Frankie made a number of great attempts but narrowly missed sinking the ball into the net. The first half ended 3 – 0 to Eastern FC.

LML played well in the second half. Oscar was off due to injury so he kept Cooper company. Our defence line worked hard preventing a number of opposition goals from being scored. The final result was 4 – 0 but everyone seemed to think that it had been a match well played.
