As is 2012 the Cyclones levy will remain the same for the 2013 Queensland Cyclones athletes, \$200 (inc GST) per athlete as per SLSQ Circular 117.09.12. This levy is significantly reduced from the \$600 that was previously charged in 2011 and assists with offsetting some of the costs incurred for the Queensland Cyclones.

SLSQ will be coordinating all accommodation and transport arrangements for all team members for the Interstate Championships to be conducted in Sydney on the 21st and 22nd of January 2013.

All State Team representatives will have their airfares, accommodation, transfers to and from airport, transport to and from competition venue/s, craft transport, meals and uniforms paid for by Surf Life Saving Queensland.

Further information in relation to the 2013 Interstate Championships will be sent to all Cyclones athletes in the coming weeks. For further information please contact myself on 0419 318 329.

Regards,

Stuart Hogben
