

## Tyntynder Football Netball Club

2013

Hi everyone,

On behalf of my wife Kate, Isabella and Violet, I would like to wish you and your families a Merry Christmas and a Happy New Year in the up and coming festive season.

As you are probably aware, news travels quickly through the "Football Grape Vine ", so I would firstly like to take this opportunity to announce that I will taking on the role of senior football coach for the 2013 CMFNL Football Season.

While on a roll with announcements, I would also like to inform you that the assistant coach will be Brad Carroll, who I see as having a very important role within the Tyntynder Football and Netball community. Brad is, as you all know, a very well respected figure within our club and the wider community. His experience, leadership and presence are an asset to have beside me and I thank him for taking on this role and supporting me in the up and coming future.

Good luck to both Emma Smith and Michael Crowe who will be coordinating the Netball and Junior Football respectively for the 2013 season.

We all wait with great anticipation and excitement for the 2013 Football season. I realise the year has not yet finished but I see an opportunity here to build on the strong foundations and hard work that have been laid by our previous coach Simon Bunyan. It should also not go unnoticed the hard work you all do. It's not easy running a successful organisation and my thanks go to those who keep this club afloat and give us, the Footballers and Netballers the opportunity to " do what we do", which is represent this proud club year in and year out.

In finishing, I would like to take this opportunity in thanking the Tyntynder Football Netball Club, its members past and present, players, supporters and committee in selecting me as the new senior coach for 2013.

It is a great honour to have been selected and I will be taking great pride in leading this historically strong and successful organisation into the 2013 "premiership" season.

To all our senior footballers, a reminder that our **first preseason training night** will be **on Monday 7th January** 2013 at the football sheds, starting at **6.30pm sharp**.

I look forward to seeing, talking, laughing and working hard with each and every one of you in the up and coming months and year ahead. Until then have a safe Christmas and Happy New Year.

Kind regards,

Mark Corrie (Cozza)

Coach

0417014573

Brad Carroll (Charlie)

Assistant Coach
