Masters Footy

Well with another year coming to an end us old boys are looking forward to another successful season in 2013 as we continue to grow in size (player numbers that is).

2012 saw us win 8 out of 12 games in a fairly competitive season, but at the end of the day we still play with the AFL Masters motto of "Footy for Fun". Another notable accomplishment for the Bombers was the AFL Masters

Some of the Bayside Bombers 2012 Squad

National Carnival. We had 6 players head up to Townsville for the week long carnival, with Michael 'Flash' Rennie playing in the winning over 45's NSW team, and Gavin 'Torso' Kearney (over 40's) and Russell "Bags" Bagnall (over 45's) being honoured with All Australian selection.

The 2013 pre-season training will start on Wednesday 23rd January at 6.30pm, which will give most of us a chance to shed some of the Christmas belly that snuck up on us over the festive season. We're always looking at new players to join the ranks with the possibility of the Bayside Bombers fielding two teams in 2013. AFL Masters have approached us as an expanding club with a proposal of an over 33's along with the existing over 38's team.

So here's a good chance to show you can talk the talk. There always seems like there are plenty of expert males (ex-players and fathers) giving advice on the sidelines at games down at Redlands, ...so pop on some boots and come down to training to see if you can handle it! Word is there are a few more Fossils joining us next season. Great to see!

Keep an eye on our website for more details.
