Good Sports Success for Country Clubs

Monday, January 14, 2013

Golden Square FNC, Tyntynder FNC, Woodside & District FNC and the Horsham FNC have been recognised for their commitment to the Good Sports Program in the recent National Awards.

Golden Square FNC were announced as the National Runner Up as Club of the Year in the recent 2012 Good Sports National Awards.

The Good Sport Awards seek to recognise and celebrate Good Sports clubs who have gone above and beyond in promoting the values of the program - which helps clubs provide a safe and family friendly environment through the responsible management of alcohol.

The Tyntynder FNC was named as a State winner for Victoria Regional.

The Woodside & District FNC and the Horsham FNC were also named as 2012 Regional Winners.

AFL Victoria Vic Country congratulates these clubs on this recognition and encourages all local football and netball clubs to become involved in the program.
