"AFL Kids First"

Coaches, Umpires, Officials, Administrators and Parents form the AFL community. It is vital, for the betterment of Junior sport, that we will work together to provide the highest quality sporting environment for our children.

"AFL kids first" is designed to assist parents with their important role in their child's sport.

Parents are encouraged to understand and promote the following:

- **Sport for children will provide a solid base for later life.**
- **Be proud of your child's attempts to compete.**
- **Children want to "play the game".**
- **Promote the personal best philosophy - "do your best"**
- **Adults can give children two valuable assets - the right example and attitude.**

AFL Queensland thank you for your efforts to provide a healthy and positive sporting environment for our children.
