To whom it may concern,

We were so pleased to include the Australian Goanna's in our Junior tournament in 2012.

The Goanna's approached us about competing in the junior leagues and although they are an open age team the competition was not beyond the under 18 division one teams who played them.

The benefits of having the boys come along is enormous, it is not very often that an Australian team in Green and Gold turns up to play and be a part of local junior competition. The boys were pleasant competitive and promoted the sport in an unbelievable fashion.

Truth be known we also used the Goanna's coming to our tournament for sponsorship assistance and with council to highlight the level of competition which was attending in our fair city.

We would like to take this opportunity to thank Adam and the boys for all their assistance over the weekend and for bringing the team out to the country assisting us in promoting the sport.
