Bronze Medal Sponsors (\$100-\$300)

Diving Seagull Inc.

Yap Pacific Dive Resort

Message from the Yap Sport Council

This Yap Games went beyond any of our hopes or expectations. The community support and viewer turnout for the events were awe inspiring. The joy and pride that showed on the faces of our young athletes as they played their games or crossed the finish line can only be attributed to the community, friends and family that were cheering them on as they competed. The level of performance was also very competitive. With the anticipation of the upcoming 2012 FSM Games and the 2014 Micronesian Games we are certain that these Yap Games will continue to prepare our athletes. Team Yap will be the defending Champions at the FSM Games and we hope to keep that title!

It is the Sport Council's hope that this Yap Games book will serve two main purposes, recording and inspiring. This book will act as the official record for sports for Yap State. All times, weights, and records that received championship status are now the official "Yap State Records" for that sport. Congratulations to those who now hold the official State records for their sport. The Council also hopes that these records and this book will inspire the next generation of athletes to strive to better themselves as a athlete and as a person to achieve greater performance and goals than the previous generation. With the community support that was so powerful at these 2011 Games, we are certain that sport will continue to develop to higher levels of performance.

The Yap Sport Council would like to thank the Council of Pilung, Council of Tamol, Governor Anefal, and Yap State Legislature for their support and endorsement of this 2011 Yap Games. Their leadership paved the way for these Games to succeed. We would also like to thank the communities and families of the athletes for encouraging and supporting them throughout the training and competition. You are the reason for the continued success of the youth. Finally, the Yap Sport Council would like to extend a very big "thanks" to all of the Municipal Representatives and Tournament Directors. Without the direction and leadership of these individuals these Yap Games would not have been possible. Below is the list of names for each municipality and sport, if you see them in the village or around Colonia please extend to them your gratitude.

Athletes, keep practicing and training...We'll see you next year!!!!

**On behalf of the Yap Sports Council and Sports Associations,
thank you to all who participated in the 2011 Yap Games.
Your support and dedication are what made this event successful.
A special thank you to Vincent Pedrosa, for the use of his photos.
See you at the next Yap Games!**

Many thanks to the FSM National Olympic Committee for donating the medals for the Games. The NOC received a grant from the International Olympic Committee from the "Sports for All" fund to purchase these medals!!

2011
