OFFICIAL PUBLICATION OF THE SA COMMUNITY FOOTBALL LEAGUE INC.

www.sacommunityfootball.com.au - PO Box 1, West Lakes 5021 - DECEMBER 2012

*The SA Community Football Board and the Motor Accident Commission
wish you and your family a happy and safe festive season.*

2012 COMMUNITY FOOTBALL LUNCHEON

Approximately 150 people attended the annual SA Community Football Luncheon on Saturday October 6 at AAMI Stadium to once again pay tribute to and celebrate all the achievements of Leagues, teams, players, volunteers and supporters.

Community Football Board Chairman David Shipway welcomed all attendees including SA Community Football major partner, Motor Accident Commission, and presented MAC CEO Ben Tuffnell with a framed State Country jumper in appreciation of their continued support. Mr Shipway also paid tribute to the many volunteers who consistently give their time to ensure Community Football continues to provide opportunities for people to be involved in our great game.

SA Football Commission Chairman John Olsen addressed all in attendance providing valuable insight for Community Football leaders into where the SANFL is positioned with regards to the sale of its two AFL licences and the move to Adelaide Oval in 2014.

During the remainder of the afternoon, the JLT Administrator of the year was announced and AFL and SANFL Merit Awards were presented. Master of Ceremonies Ben Hook entertained with interviews of special guests, SA Football Hall of Fame inductees Don McSweeney and Garry McIntosh, along with Broughton Mundoorra Football Club A Grade coach Joh Duffield, who featured on the ABC 7.30 Report during the year.

All award recipients delivered a common theme in their acceptance speeches, citing their long-term involvements and outstanding contributions to Community Football were purely as a result of their love for the game and a desire to continue to be involved. They all valued the many friendships that had been formed and thanked their families for allowing them to continue to be involved over such a long period.

SA Community Football Vice President Rob Kerin concluded the afternoon thanking all those in attendance for their contributions during 2012.

MATEMORPHOSIS CAMPAIGN AWARD

The Motor Accident Commission has received a national gold award for best national social marketing for its 'Matemorphosis' regional road safety campaign.

MAC Corporate Communications Manager, Jehad Ali, said " the entry included the SACFL partnership and we were also very proud to acknowledge and thanked the SACFL and the important role the partnership played in making a difference in regional South Australia."

Part of this campaign included the Matemorphosis Club Challenge which was won by the South Whyalla Football

Club which received the \$10,000 first prize. Five runners up to South Whyalla, who received \$2,000 each were, Thevenard FC, Ceduna Blues FC, Wirrulla FC, South Augusta FC and Hatherleigh FC.

Motor Accident Commission

A MAC INITIATIVE: MOUNT COMPASS FC

Matemorphosis is a campaign developed by the Motor Accident Commission (MAC), made for and by country South Australians.

Collectively, the South Australian Community Football League, the MAC and local football clubs are educating young footballers and their mates about making the correct decisions when driving.

The Great Southern Football League has allocated ambassadors to initiate movements and encourage people in their clubs to look out for their mates, especially on the roads.

The Mount Compass Football Club has been one of the most involved clubs in the GSFL, drumming certain behaviours and choices into their young players minds such as watching their speed and vehicle maintainance. Life member of the GSFL and 'Compass President, Neville Miller, also doubles as the MAC ambassador for the Bulldogs, saying that the "matemorphosis" campaign has been successful on most levels, also explaining the sibling like role that comes with the title. "It's like being the big brother, it has its moments especially with the older people, and it's good to bounce off other ambassadors as we go around the grounds," Miller said.

As ambassador, Miller spends a lot of his time talking to the Senior Colt's side, reminding them of the responsibili-

ties they have and how that can reflect on the club. Miller said that the club has utilised its tyre sponsor, allowing members to receive discount tyres and car servicing, implemented "with very pleasing results".

The president has been raising the awareness of other people on the road and the suffer and hurt that can be inflicted on them, loved ones and parents, leaving one message for young drivers. "Look after your mates."

Motor Accident Commission

AROUND THE REGIONS

STATE AWARD WINNER

Trevor "Holly" Hosking was named the South Australian winner of the NAB AFL Auskick Volunteer of the Year Award in 2012 in recognition of his outstanding commitment to the Laura and Wirrabara Primary School NAB AFL Auskick Centre.

Trevor was delighted to receive the award and hopes it encourages other people in the local community to volunteer at their local Auskick Centre.

"It's a privilege to receive this award and to bring NAB AFL Auskick to life in our local community throughout the year," he said. I'd like to thank NAB for their support in making the program accessible and affordable for families in North Adelaide Country"

The prize for each state winner included a trip to Melbourne and a ticket to the 2012 Toyota AFL Grand Final where the overall NAB AFL Auskick Volunteer of the Year was announced. The national NAB AFL Auskick Volunteer of the Year winner received a \$5,000 NAB Saver account and the trip of a lifetime to Europe with the 2013 AIS-AFL Academy.

Craig Oliphant
Regional Football Coordinator
Northern

Trevor "Holly" Hosking, SA NAB AFL Auskick Volunteer of the Year.

MULTI-CULTURAL TRAINEE

EMMANUEL IRRA

To assist with the multicultural focus in 2012, the SANFL appointed Emmanuel Irra to a traineeship. The South Adelaide zone has also been fortunate to have Emmanuel spend some time with Programs run in the south.

"E-man" arrived in Australia from Uganda at the age of 11 having never seen the game played let alone held a football. But over the last 7 years, he has crafted his game at Colonel Light Gardens FC, Port Noarlunga FC, Sacred Heart College and with the Panthers to the point where he has represented the State Under 18 team in the last two years and earned the opportunity to tally up 10 League matches to date. He was invited to this year's AFL Draft Camp and would relish an AFL opportunity if it came his way. If not he is just as excited about working hard to forge a long career with the Panthers. Either way, Emmanuel is comfortable and enthusiastic about mentoring and being a role model to the new breed of Australian footballers in our communities.

AFL FACILITY DEVELOPMENT RESERVE

The SACFL have been working with a number of Leagues/ Clubs this year which have decided to build new facilities or upgrade existing facilities and we have been successful in obtaining grants from the AFL for the following in 2012;

Club / League	Oval	AFL Grant	Total Cost
Port Lincoln	Centenary	\$100,000	M\$1.67
Ramblers & Cummins Kappinie	Cummins	\$ 65,000	\$960,000
Hatherleigh	Hatherleigh	\$ 50,000	\$600,000
Plympton	Plympton	\$ 40, 000	\$600,000
Spencer Gulf FL	Central Pt Augusta	\$150,000	M\$4.48
Two Wells	Two Wells	\$ 50,000	\$600,700
Kadina	Kadina	\$ 50,000	\$700,000
Boston	Poole Oval	\$ 25,000	\$328,000
Onkaparinga Valley	Balhannah	\$ 5,000	\$ 89,000
North Gambier	Vansitaart Park	\$ 150,000	M\$3

APPROVED PLAYER POINTS SYSTEM 2013

During 2012, the SACFL Rules Review Committee and Regional Football Council have considered suggested amendments to the Approved Player Points System for the 2013 season. As a result of this process the following recommendations were approved by the Community Football Board with all Leagues receiving an updated version of the APPS on September 25th 2012.

1. Victorian Major Leagues as listed in 22.1 of the AFL Victoria Regulations are determined as Category One (1) Leagues.
2. Hills Football League Country and Central Divisions become Category One (1) Leagues
3. SAAFL Division 1,2 & 3 Reserves players receive two (2) points, joining SAAFL Divisions 4 and below as Category Two (2)
4. North East AFL (NEAFL) be included as a State League (4 points)
5. SACFL Appendix 4 APPS Regulation 1.6—(Amended) A player transferring from one Affiliated League Club to another Affiliated League Club and who is under 19 years of age on the 31st December in the previous calendar year and has played a combined total of more than twenty(20) SANFL Under 18, Reserves and/or League Level—attract two (2) additional points
6. SACFL Appendix 4 APPS Regulation 1.7 (New) A player transferring from one Affiliated League Club to a Club of any Australian Football League or Association will retain the same Player Point Rating he had, if any, if he is transferred back to such Affiliated League Club in the same season.

AFL EDUCATION PROGRAM

The SACFL offered community clubs the opportunity to host AFL Education Seminars for their players and official at Clubs during the season as a pilot program.

These seminars were delivered by trained presenters former Adelaide and Port Adelaide players Rhett Biglands and Michael Wilson respectively and supported by Emma Gibson and Chloe Drogemuller.

We would like to thank the following Clubs for hosting a seminar during the season:

Any Club interested in hosting a seminar in 2013 is requested to register their interest with their respective Regional Football Coordinator

- Blackwood Football Club
- Walkerville Football Club
- Mallee Park Football Club
- Goolwa Port Elliot Football Club
- Hackham Football Club
- Christies Beach Football Club
- Mount Gambier
- Modbury Football Club
- Port Noarlunga Football Club
- Southern Saints Football Club (Eudunda / Robertstown)
- Meadows Football Club
- SANFL Field Officers

AFL COMMUNITY EDUCATION PROGRAM

YOUR
BIGGEST
SUPPORTERS

The AFL's Community Education Program is an interactive face-to-face education program that covers the following topics:

- Alcohol and binge drinking
- Illicit drugs in sport, and
- Respect and responsibility

For many years the AFL has used football as a mechanism to promote a range of socially responsible programs to the broader community. The AFL Community Education Program is committed to designing resources and programs that educate young men on the issues of alcohol and binge drinking, the dangers of illicit drug use, and respectful relationships.

Who should attend?

The education program is aimed at the playing group with a particular focus on 16-25 year males, however, all club administration staff are also welcome to attend. Participants must be aged 16 years and over.

Cost

There will be no cost to clubs to participate in this program. The AFL has formed a partnership with the Department of Regional Australia, Local Government, Art & Sports, FaHCSIA and the Department of Health and Ageing, which cover all costs.

Facilitators

The program will be facilitated by an ex-AFL player and a co-facilitator.

Benefits of undertaking the program

- Provides clubs with access to education programs that are delivered to AFL clubs
- Assists in developing the knowledge of individuals and club staff on alcohol, illicit drugs and respectful relationships with women
- Contributes to broader cultural change strategies being undertaken by clubs
- Contributes to risk management for clubs as increased scrutiny is something faced by all Australian Football participants
- Working to create healthy, safe and inclusive sporting communities
- Assists the club in working to attract future sponsors, volunteers and players

Session availability

The Community Education Program is flexible in regards to where and when it can be delivered. Each session runs for approximately 90 minutes, which includes a short post-session survey. The program has been designed to minimise the inconvenience to clubs. It is anticipated that the only burden on clubs will be to pick a date and ensure the attendance of the players.

Equipment required

The AFL will provide all equipment necessary to deliver the program.

Australian Government

For additional information or to book your club in for a session please contact:

MATCH DAY & TEMPORARY PERMITS

Match Day Permits should **ONLY** be used for transfers with in Leagues with the approval of both Clubs.

Match Day Permits **SHOULD NOT** be used for transfers from Clubs outside of a League.

The types of transfers allowed by the SACFL and requiring permits are clearly outlined in the SACFL Inc Regulations which can be found following the link below.

http://www.sanfl.com.au/community_football/constitution_and_rules_&_regulations/

It is recommended that the following Regulations should be linked to the accompanying permit applications.

Regulation 15
Playing with Two Clubs
Type 2 Permit Local Interchange

Regulation 16.1
Transfer in Employment –
Type 3 Permit Temporary Transfer

Regulation 16.3
Student attending Educational Institution –
Type 2 Permit Local Interchange

Regulation 16.4
Temporary Return to Home Club –
Type 3 Permit Temporary Transfer

Regulation 16.5
Promotion of Football –
Type 3 Permit Temporary Transfer

A copy of the National Player Transfer Regulations can also be obtained by following the previously mentioned link.

It is important to remember that Sporting Pulse is a National Player Management database initiated for the purpose of tracking a players history for their entire football career.

Whilst it is a magnificent player management tool it must be noted that all player transfers must be completed in accordance with the SACFL Rules and Regulations including the completion and lodgement of all forms required under these regulations.

Failure to comply may see Clubs deemed to having played an unregistered player and subject to penalties outlined under these Regulations or their Affiliated League's By-Laws.

Just because Sportingpulse allows a transfer does not mean it complies with SACFL Rules & Regulations

If you are unsure please contact your League Secretary in the first instance, Regional Football Coordinator or Zone Director for clarification.

**Direct
Farm
Inputs**

DIRECT FARM INPUTS

SA Community Football is sponsored by Direct Farm Inputs in 2012.

All clubs can benefit by promoting fertiliser sales from Direct Farm Inputs and earning \$5 per tonne on all sales generated by your contacts and members.

This sponsorship has the potential to earn football clubs a significant income stream and we encourage you to support and promote this new initiative.

DFI do not have many agents and sell direct to farmers, however DFI is now firmly established in the fertiliser market and is keen to increase the supply of fertiliser throughout SA as well Victoria and NSW.

For further enquiries on this proposal or for fertiliser enquiries please contact:

Leighton Huxtable - 0419 861 548 or

Luke Hocking - 0488 781 222
