## President's Report

By Rauf Soulio

# 2009 Report

2010 promises to be an exciting year for Football in the state, nationally and internationally. Interest in our great game will again be heightened by the return of the Socceroos to the FIFA World Cup to be played in South Africa. Later in the year we will know if Australia will host the 2018 or 2022 FIFA World Cup.

Participation in Football is steadily increasing and in 2010 we will experience a further 6-8% growth in player numbers. There is a shortage of quality playing facilities. Whilst that is due in part to the popularity of our sport, if more facilities are available more people who wish to participate will be able to do so. Active participation in sport, particularly at the junior level, plays an important part in the health of our population and contributes positively to the social health of our state. As mentioned in the CEO's report the Board and administration have been working intensively with the State Government, Local Councils and Football Federation Australia to secure more playing facilities for our participants.

I acknowledge the support of the Minister for Sport the Hon Michael Wright and the close working relationship we have with the Office for Recreation and Sport. We have continued or developed relationships with Local Councils including the City of Adelaide and the City of Salisbury, the West Beach Trust, DECS and Multicultural SA to enable us to provide benefits to our participants throughout the state.

In the past year Football Federation SA has continued its task of consolidating the administration and promoting the development of Football. Our development programs have resulted in State teams competing strongly in national competitions and it was pleasing to see some of our juniors selected in national squads and teams. By the time of printing

the Professional Men's Pre-Season Cup will be completed after an exciting and closely fought battle in the three divisions last year. The coming year will bring a further focus on Women's football within the Federation and the further strengthening of our relationships with the South Australian Junior Soccer Association, the Collegiate League and the Masters Soccer League. We expect this year to also bring a stronger focus on the promotion and expansion of Futsal programs in the state. We are also pleased that the members of the Referees Branch have voted to come under our umbrella and look forward to working with our referees who play such an important part in our sport.

Football Federation SA has also worked to assist new arrivals through football programs and participated in the Lieutenant Governor's forum for International Students as part of our aim to make football available to all who wish to be involved and as a contribution to encouraging social participation.

At the annual Football Federation SA Player of the Year evening three long term contributors to Football, Peter Marafioti, Chic Caudo and Norm Graham were all welcomed into the Hall of Fame. I thank the Hall of Fame Committee lead by Orazio DiCarlo for their valuable work.

Football Federation SA was honoured at the Player of the Year evening by the attendance of our special guests including the Minister for Recreation, Sport and Racing the Honourable Michael Wright MP, Federal Member for Makin Tony Zappia, Federal Member for Hindmarsh Steve Georganas, Shadow Minister for Sport the Honourable Terry Stephens MLC, the Executive Director of the Office for Recreation and Sport Paul Anderson, Director Infrastructure Planning and Policy Jenny Hughes, CEO of the Adelaide City

Council Peter Smith, Manager Culture Recreation and Youth with the City of Salisbury, Nichola Kapitza, CEO of the Attorney Generals Department Jerome Maguire, Executive Director of Multicultural SA Simon Forrest, CEO of Adelaide Shores, Gareth Smith and Gepps Cross Super School Principal Sandy Richardson and other distinguished guests who witnessed the awarding of the Sergio Melita Medal to Richie Alagich to cap off his stellar season for Raiders.

As I have previously observed, Clubs and Associations play a vital role in delivery of quality experiences for players and their families. Clubs and Associations could not operate without the selfless contribution of the many volunteers involved and I would like to acknowledge that contribution.

An important part of the administration of Football is performed by the Disciplinary Committee lead by Alan Lindsay. In Season 2009 the Committee expanded to 9 professional members who act in a volunteer capacity conducting hearings.

I take this opportunity to thank my fellow Board directors, Vice President Morry

Bailes, David Hewitson, Ted Iuliano, Bev O'Brien, Claudio Galloni and Oleh Bilyk for their dedication and valuable contribution to Football in the State.

On behalf of the Board I would like to acknowledge the CEO Michael Carter and the dedicated staff of the Federation who work long hours and continue to achieve results for the benefit of Football.

I wish everyone success in season 2010 and in the year ahead.

## Chief Executive's Report

By Michael Carter

# 2009 Report

Continued pressure on local playing fields from unprecedented growth in the code particularly at junior level is of major concern to Clubs/Associations, Local Councils and Football Federation SA. As we move into a World Cup year which has seen the Socceroos qualify, participation growth is once again expected and will place further pressure on facilities.

From a national perspective, Football Federation Australia has undertaken a National Facilities Audit that has seen FFSA represented at meetings. The process has resulted in a formal meeting with every council in South Australia. This has been a particularly valuable exercise for the Federation and has uncovered some significant future plans for our code.

Pleasingly it is widely recognised that our codes participation levels are at all time highs with little sign of subsiding. Over the next 12 months Football Federation SA will work with clubs, local councils and relevant government agencies to assist in addressing this major problem facing our code.

Football Federation SA continues to work closely with the Minister for Sport, Recreation and Racing the Hon Michael Wright MP, the Office for Recreation and Sport and Federal Ministers for the establishment of a headquarters for the sport that will service the expanding Northern Region of Adelaide.

The plan for establishment of a Northern Areas Community Football Facility will include a mixture of floodlit natural and artificial turf playing fields, a Futsal Facility, administration headquarters and function facility. Establishment of this and further satellite facilities located strategically throughout metropolitan Adelaide are critical to assist in addressing the shortage of playing fields.

A strong partnership with the City of

Salisbury has seen Football Federation SA obtain a lease on a green field site development for the code at Burton located in Salisbury. The 3 pitch floodlit facility will cater for competition, community programs and provide education and training opportunities for the surrounding area. Work on the site will commence early in the new year and is expected to be opened in October 2010.

Discussions with other groups continue as we strive to provide a substantial facility network for the benefit of all stakeholders within the Football Family.

### Finance

Financially Football Federation SA performed well in a year that saw the turnover of the organisation expand by approximately 30%. The South Australian Women's Soccer Association deregistration as an incorporated body in November 2009 contributed largely to the increase in turnover. This together with an increase in development grants together with a slight increase in sponsorship can all be attributed to the growth.

In 2009 Football Federation SA recorded a surplus of \$220,898 which equates to approximately 8% of turnover. The balance sheet looks far healthier, however includes approximately \$200,000 deposited into a trust fund for the South Australian Women's Soccer Association following their deregistration.

### Marketing/Corporate Partners

In March 2009 Football Federation SA launched its new web site incorporating unique information pages for Senior Men (Super, Premier & State as well as Collegiate and Masters League), the Junior Premier League, Women's and Girls' Football,

Game Development, Futsal and Referees. The change to the web site resulted in a large increase in visitation to the site with an averaged 2.9 million hits per month. The site is now a very powerful form of communication and marketing tool.

The Advertiser and Messenger Newspapers along with community radio stations continue to cover the local game with great consistency and detail. The consistency of cover is testament to the strength of the competition and clubs within.

Finding the right median for promotion of the local game is a difficult task. In the past two years we have advertised the Devine Homes Finals Series on two commercial radio stations and throughout the Advertiser Newspaper. Football Federation SA was a major broadcasting partner of game day presenter 5RTI and contributed financially to Coast FM, 5EBI and Full On Football all of whom do a great job on behalf of the code. We will continue to explore ways to better promote the local product, however clubs will need to assist in their presentation of match days and engagement with junior participants to ensure that game day is an experience they wish to return to.

Football Federation SA is very fortunate to be associated with many quality brands known both internationally and nationally including Devine Homes, McDonalds, Westpac Bank, Hyundai Motor Company, Top Corner Sports, Adelaide Airport Limited, Coca Cola, Nike and IDM.

### Competitions

The 2009 Devine Homes Super, Premier and State League competitions were of a high standard with league tables competitive throughout. Promotion and relegation within the three league structure has seen the majority of clubs find their level and maintain their positions.

2009 saw a spread of games over each weekend not seen for some time. Clubs are experimenting with requests for fixtures in an attempt to capture spectators. Football Federation SA is happy to accommodate club requests in this regard as we attempt to promote the local game.

A crowd of just under 4000 witnessed Metro Stars, Cumberland and Enfield complete their Devine Homes Finals campaign in the best possible fashion. The Top Corner Sports Federation Cup welcomed 6 Collegiate League teams compete in the qualifying round. The Cup Final was a very entertaining game with Super League giants Campbelltown up against Premier League Club Cumberland. The game went into extra time and penalties with Cumberland finishing better to end up eventual winners.

The Adelaide Airport Women's Premier Division saw Adelaide City Women's Soccer Club win the league and Cup title from MUWFC Magic.

### Game Development

Football Federation SA's development team, lead by John Mundy continues to expand their community partners in the service of participation opportunities for all wishing to be involved in the code.

Major highlights for the department in 2009 included;

- Over 490 participants attended and successfully gained coach accreditation certificates at various levels in 2009 and
- In excess of 480 new Referees attended Level 5 and 4, courses in the same period.
- Expansion of Westpac Regional Centres of Excellence. In partnership with regional associations we now have centres in Mt Gambier, the

Riverland, Adelaide Hills and Broken Hill. Participants in each of the centres trialled for inclusion in the FFSA Country representative team who performed well at the National tournament in Newcastle.

- Second year of operation for our nationally accredited academies in the summer months. In excess of 200 junior participants registered for this very low cost 18 week program coordinated in the North, South, East and West.
- Solid performance at underage National Championships with our under 14 and 15 boys playing off in the semi finals against New South Wales, however were defeated in extra time. The Under 15 and 17 girls missed out on Semi Final berths, but performed well overall.
- Inaugural Indigenous Football Development Program culminating in an experience of a lifetime for those boys and girls who represented the State at the National tournament in Townsville. The selected groups were a credit to themselves and the state.
- The Federation's continued partnership with McDonalds in 2010 which will see the 5th consecutive year of involvement with this famous brand.

In 2010 I encourage Clubs and Associations to tap into the vast resources our team possesses.

### Refereeing

Season 2009 saw Football Federation SA reach an agreement with the SA Referees Federation Branch Inc to perform the administration tasks on behalf of the organisation. The task was challenging and rewarding. We welcomed the Noarlunga

## Chief Executive's Report

and Adelaide Hills Branches. The affiliation of all 3 branches resulted in an impressive 290 plus referees register with the Federation and we will look to expanding on these numbers in 2010.

A major challenge is that of continued education and support for individuals wishing to officiate on match days. Football Federation SA applied for funding through Clubs SA for a mentoring program that will see referees attend intensive training sessions with qualified mentors at strategically located venues throughout metropolitan Adelaide. The training program will result in better educated, more confident referees in 2010 and beyond.

### Looking Ahead

2010 will be another exciting year for the code with Adelaide United competing in the Asian Champions League, the Socceroos competing in the FIFA World Cup and of course the vote for host of the 2018 and 2022 FIFA World Cups.

Promotional opportunities as mentioned provide real impetus for increased growth in participation numbers. Clubs and Associations will again be under pressure to provide playing opportunities for young up and coming players. With this comes significant wear and tear on playing fields. I believe the shortage and standard of venues is without doubt the greatest challenge for the code in South Australia. The audit on facilities will need to be translated to dollar terms to enable the code to lobby for funding to upgrade strategically located venues throughout metropolitan Adelaide.

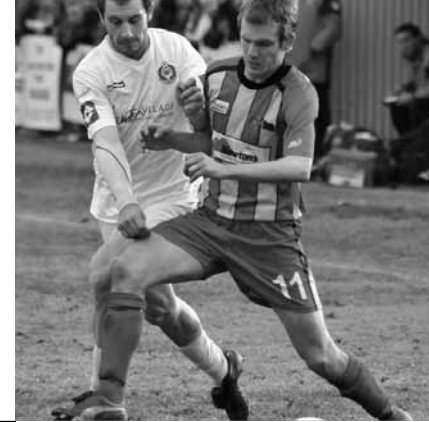

Establishment of a State Headquarters for the code will hopefully come to realisation and the new development at Burton will become operational.

Football Federation SA will continue to

forge strong community partnerships with community, corporate and government agencies.

I would personally like to thank all staff for their commitment in 2010. Their tasks and work load often go unnoticed but without their commitment we would not function as efficiently as we do. I would like to make special mention to Wendy Carter who came to the Federation in 2009 as Club and Competitions Manager from SAWSA. Her knowledge, experience and dedication have been extremely valuable.

Finally I would like to thank the Board of Directors, led by our President Judge Rauf Soulio for his and their support throughout the year. We are very fortunate as a code to have their high level of experience and business acumen looking over the sport.

## Senior Men's Competition Report

By Dimitri Peppas

# Competitions

### League Season and Final 5 Series

There was a hot start to the season due to the unexpected extreme heat that was experienced with some games in the first two rounds of the season having to be either delayed or postponed.

The 2009 season showcased a spread of matches over the weekend, allowing the community to witness up to two or three matches per round in an effort to increase attendances at local grounds.

The Devine Homes Super League season featured eleven Saturday night fixtures, nine Friday night, eight Monday night, two Sunday afternoon and a Thursday fixture throughout the season. The Devine Homes Premier League and State League seasons featured ten Saturday night and two Sunday afternoon fixtures each.

The Sunday afternoon timeslot was experimented with by MetroStars (Super League), Adelaide Olympic (Premier League) and The Cove (State League) on two occasions. Crowd numbers at mentioned fixtures were mixed, however requests for Sunday fixtures may increase in 2010.

Football Federation SA welcomed The Cove Soccer Club into the Devine Homes State League. The growth of the population in this region was a determining factor for the inclusion of this club and it is pleasing to note that the club is working to secure additional facilities to accommodate the increasing demand from junior players in the region.

Following an exciting season of football, the Devine Homes Super League entered the final round with Campbelltown City and MetroStars tied on 36 points, with Campbelltown City sitting on top on goal difference. Campbelltown City only required a victory from their final game to secure the minor championship, but were held to a 2-2

draw at Para Hills. This provided MetroStars with the Minor Premiership following their 5-2 victory over Modbury.

Adelaide City proved once again that they are a force to be recognised no matter where they finish in the Final Five. Finishing in fifth spot, Adelaide City's finals experience shone through as they made their way through to the Devine Homes Super League Grand Final. Their winning run was halted in the Grand Final by their Grand Final opponents and minor Premiers Metro Stars, who claimed their second title with a 1-0 victory over Adelaide City.

The Devine Homes Premier League saw Adelaide Cobras claim the Minor Premiership after a tight season which could have seen any of the top six clubs claim the honour. Cumberland United, who won the Top Corner Sports Cup, claimed the League & Cup double after defeating Cobras 4-3 on penalties in an entertaining fixture.

Enfield City and West Adelaide dominated the Devine Homes State League season, with the two playing off in the Final, with Enfield City scoring twice in extra time to take out the Championship title adding to their Minor Premiership.

### Disciplinary Committee

Football Federation SA independent Disciplinary Committee increased from four members in 2008 to nine members in 2009 due to the increase of competitions conducted by the organisation.

The dedication and commitment from the volunteer group headed by Alan Lindsay is a credit to each individual. As a Federation we are very fortunate to have a group with the knowledge and expertise in the sporting and legal arena to deal with some difficult matters as they arise.

## Junior Premier League

By Dimitri Peppas

# Competitions

The 2009 Westpac Junior Premier League season has been without a doubt one of the most efficiently run seasons. Football Federation SA experienced a continual rise in the number of participants. The introduction of Small Sided Football and an increase in match official coverage contributed to a successful year.

The introduction of Optus Small Sided Football (OSSF) for under 6, 7 and 8 enabled Football Federation SA to provide a pathway into the Westpac Junior Premier League. The smaller version of the game, allow players to concentrate on developing their skills rather than worrying about results.

Football Federation Australia (FFA) and Optus provided all OSSF players in South Australia with packs which included a shirt, soccer ball and backpack. The

packs were originally only for the Under 6 age groups, however, after discussions between Football Federation SA and FFA, it was decided that all OSSF players up to Under 8 would receive the packs. Thank you to Optus and the FFA for their assistance with this matter.

The 2009 Top Corner Sports JPL Cup continued with the knockout tree format. The Cup Final day held in August was played in good weather with close to 3000 people attending throughout the day. The display of talent on the field was exceptional and showcased why the Westpac Junior Premier League is the elite competition of junior football in South Australia.

The Westpac Junior Premier League expanded with 21 new teams entering the competition at various age groups.

In 2009, there were 5321 players registered in the Westpac Junior Premier League up by 308 players from the previous season.

With the amount of new teams came concerns with fixturing some matches due to the limited facilities available. Football Federation SA is continuing to work with local councils to enable more spaces being made available to our sport.

An increase in the number of matches per week, resulted in more matches needing to be covered by match officials. It was pleasing to note that the coverage was much better in 2009 than previous seasons due to the amount of new match officials who completed courses and commenced their officiating in the lower age groups of the Westpac Junior Premier League.

Clubs also took it upon themselves to schedule fixtures midweek particularly on Friday nights to minimise ground usage and to provide a different atmosphere enabling club facilities including canteens and clubrooms to be used more than only on weekends.

Football Federation SA would like to thank Westpac, Top Corner Sports and McDonald's for their support of the Junior Premier League and look forward to working with our partners again in season 2010 to provide the best competition available for junior football in South Australia.

## Women's Competition Report

By Tracey Dycer

# Competitions

Following the transition of the South Australian Women's Soccer Association (SAWSA) to Football Federation SA at the end of season 2008, 2009 was to become the first year that all girls' and women's competitions were to be conducted under the umbrella of the State body. The first challenge of the new season was to ensure that a major sponsor was retained for the Premier Division. This was successfully achieved with Adelaide Airport Ltd coming on board as naming rights for the Premier Division League and Cup.

The 2009 season kicked off with the Adelaide Airport Charity Cup. The Charity Cup is an annual event that sees the previous seasons Premier Division League and Cup Winners compete for the title. The Adelaide Airport Charity Cup was hosted by Adelaide Blue Eagles Soccer Club who has been a strong supporter of the event with all proceeds being donated to the National Breast Cancer Foundation. The feature game of the day saw Sturt Marion Women's Soccer Club battle with MUWFC Magic who were far too strong after being boosted by the presence of three Adelaide

United W-League Players. MUWFC Magic took out the 2009 Charity Cup with a convincing result over Sturt Marion.

Prior to the commencement of the season it was evident that the number of teams affiliating to the girl's and women's competition had again grown from that of 2008. The 2009 season saw 124 teams affiliate across all grades with 70 junior teams participating in competitive and non-competitive leagues and 54 teams participating in the Senior Women's Competition.

The contribution from Adelaide Airport Ltd enabled Football Federation SA to continue to host the Women's Games of the Month at Santos Stadium. All Division One and Women's Premier Division teams were provided with the opportunity to compete in these matches and provided another avenue in which to promote these two competitions and build the profile of the sport within Adelaide.

The Adelaide Airport Premier Division was hotly contested throughout the season with Adelaide City, MUWFC Magic and Adelaide Olympic (the surprise package

for 2009) leading the charge for the league title. 2008 League winners Sturt Marion and the annual title favourites Fulham United started the season poorly. Despite both teams recovering part way through the season they could not reproduce their 2008 form and finished 2009 in disappointing positions.

Adelaide City Women's Football Club had not won a league title for six years and proved to be the most consistent team throughout 2009. Adelaide City went on to claim the league title by a comfortable 12 points over MUWFC Magic.

The girls and women's Cup Finals were once again held at Hindmarsh Stadium and proved to be an exciting and entertaining day for all involved. The day commenced with the Under 13 Cup being contested between Cumberland United (league winners) and Campbelltown City (league runners up). These two teams continued their season long battle forcing the game into extra time and penalties after a 1-1 draw at full time. Cumberland United eventually overcame a spirited Campbelltown City on penalties winning the Under 13 League and Cup double.

The rest of the day saw the new comers to the Under 15 League Adelaide Hills, cap off their remarkable season by defeating Fulham United to win the Cup. Under 17 League Winners, Adelaide City proved too strong for Western Toros claiming the Under 17 Cup. In the senior games MUWFC Magic triumphed in the Division 1 /2 Cup as well as claiming the Division 3/4/5 Cup title.

The show piece of the day (the Adelaide Airport Premier Division Cup) was fiercely contested between rivals Adelaide City and MUWFC Magic. This game epitomised what

football is all about, with joy and heartbreak being experienced within minutes of each other. During the second half of the game MUWFC Magic stepped up the work rate in an attempt to claim back to back Premier Division Cup titles. Their dominance looked like it may pay off with several close chances including a potential claim for a penalty. This all changed in seconds with a moment of brilliance from Adelaide City's Jodi Bruce. The New South Wales recruit let fly with a scintillating shot from the edge of the 18 yard box. This individual piece of skill secured the game for Adelaide City and sealed their first league and cup 'double'.

Football Federation SA would like to acknowledge the individual award winners for season 2009. The Bob Bush Premier

Division Coach of the Year was presented to joint winners Edoardo Rosso (Adelaide City WFC) and Robert Sampson (Cumberland United WSC). The Division One Coach of the Year was awarded to Calvin Gilmore after leading Gawler to the Division One title. Katerina Bexis (Adelaide Olympic WSC) was voted the 2009 Shirley Brown Premier Division Player of the Year. The talented Adelaide United W-League player polled a total of 25 votes to win the award by 3 points over joint runners up, Marie Spagnoletti (MUWFC Magic) and Kiki Celerak (Campbelltown City).

Football Federation SA acknowledges the Referee's Choice Award Winners for 2009 with Division 5 being tied between Khesanh Le (MU Lions) and Kiana Day (Munno Para). Division 4 was claimed by Tamara Clapton (Athelstone), Division 3 was awarded to Chantel Reynolds (Parafield Gardens) and Division 2 winner was Rebecca Blacker (Adelaide Olympic WSC). The 2009 Ann Sergeant Division 1 Referee's Choice Award was handed to Tina Parsons from Stirling Districts.

Football Federation SA also acknowledges the contribution that club volunteers make to the sport by awarding the inaugural Club Volunteer of the Year. The contribution that volunteers make to the sport cannot be understated and this was evident by the fact that the award was presented to two people. Football Federation SA acknowledged Deidre Daws (Cumberland United WSC) and Franca DiBartolo (Adelaide City WFC) for their contribution to the sport.

## Coaching & Development Manager's Report

By John Mundy

# Coaching & Development

2009 will go down as a Milestone in the history of Coaching and Development in Australia. The reason for this is the long awaited blue print for the future - The National Curriculum.

The Curriculum identified key gaps in Australia's current development of players and coaches and has been developed to address closing those gaps.

The FFA consulted widely and considered all relevant ideas, in order to tackle the identified shortcomings in Australian football and also opt for a style of play that corresponds with the 'Aussie'.

Example:

- Australian football players are physically strong and competitive.
- Australian players have a strongly developed winner's mentality.
- Australian players are in general mature at a young age and have a strong determination to succeed.
- The Australian football preference is for an attacking 'open' game which is the characteristic style of the A-League and W-League.

Hence the pro-active style of play using the 1:4:3:3 formation which will be mandatory for all FFA controlled development teams. This formation provides a balanced spread of players creating more triangles than some other favoured formations.

The Small Sided Football (SSF) formats 7 v 7 (1:3:3) and 9 v 9 (1:3:2:3) lead up to the 1:4:3:3 formation in a logical and methodical manner.

One of the key gaps identified was 'Omission of a lot of potential talent from regional Australia'.

The findings were as follows:

- Across most Australian sports, rural locations are much better (per capita)

than big cities at generating athletes.

- Unlike other football codes in Australia, football has been predominately a city game (75% of Australian A-League players developed in larger cities).
- This is consistent with football (soccer) in Australia having been fostered by 20th century European immigrants and their children, who tended to cluster in the capital and industrial cities.
- The historical immigration dynamic that has underpinned football in Australia appears to be weakening. This poses a major threat to Australia's future talent pool unless offset by gaining a much greater share of young athletes from rural areas.
- Since players need to be inducted into the game at an early age, this would require initiatives that make football much more accessible in rural Australia and, at the same time, would also tend to draw many more indigenous Australians into the game.

### Talented Player Development

One of the priorities for the FFSA has been to grow participation in geographical and social economic areas of need and provide greater opportunities for specific groups.

**Regional Centres of Excellence** operated out of Mount Gambier, Riverland, Port Augusta and Adelaide Hills with the players up for selection in a FFSA Country representative team who took part in a tournament in Newcastle. The players selected for the competition performed extremely well and showed that the program was working. A Country camp in Adelaide was also held for these players.

The emphasis for these Centres has been on strong technical skills and the start of good game skills. There will be a nationally

A group of our Country girls from the Regional Centres of Excellence

standardised approach to the development of these young players through adherence to the National Curriculum and following the criteria developed under the accreditation & rating scheme.

There is now a clear pathway established that allows a smooth transition from country through to State and then National representation. This pathway can only be accessed through the programs sanctioned by Affiliated Associations and the FFSA.

**Country Camp** was held at Westminster School in Marion. The week long live-in camp was available to members of the FFSA Regional Centres of Excellence and had U12 Boys and Girls from Pt Augusta, Pt Pirie, Whyalla, Mt Gambier, Riverland, Noarlunga and Adelaide Hills take part. In total 53 Boys and 22 Girls attended the camp over the 5 days.

The purpose of the camp was to give players a "professional football experience" as preparation for state and perhaps national development squads in years to come. This was a totally new experience for most of the children with two training sessions daily as well as lectures and video sessions consuming most of their waking hours. All of the kids relished the opportunity and benefited significantly from the full time training schedule and the elite coaching they received from the FFSA coaching and development staff.

### Veto Sports International Tournament

This was the first time we have sent away a SA Country representative side to an interstate tournament and they accounted for themselves very well.

Two under 13's sides, SA Metro and SA Country made the trip to Newcastle to take part in a six team tournament hosted by

Northern New South Wales. SA Country consisted of players from our first Regional Centres of Excellence and had representatives from Whyalla, Port Pirie, Riverland, Adelaide Hills and Western Border.

Both teams did remarkably well with Country finishing third after beating New Zealand 5-0 in the 3rd/4th place play off, this was after losing to the Kiwis earlier on in the competition.

SA Metro took out the trophy in emphatic fashion, beating the hosts NSW 6-0 in the final in front of a partisan crowd. The football they played was a joy to watch and once again our State was given a huge wrap for the style of football we played, particularly by the interstate people that were at the Nationals and who also attended the Newcastle tournament.

This trip also provided the opportunity for all the young players Metro and Country to attend the Socceroos vs Holland game at the Sydney Football Stadium and seeing the wide eyed look on their faces; taking in the atmosphere (even before a ball was kicked) made it all worthwhile.

We also arranged a training session with Newcastle Jets, whose players were great with the kids, with some of the youngsters ending up with boots given to them by their favourite Jets player.

**FFSA Academies** have commenced in 4 locations, North/East/South/West with a timeslot that is club friendly, with all training taking place outside of the regular FFSA season through the summer months.

This accredited programme runs for 18 weeks and after the previous year's success, it was no surprise that the Academies were fully

subscribed, with more than 200 kids enrolling.

**FFA National Youth Championships** were held at Coffs Harbour for the third consecutive year. The playing surfaces were immaculate and conducive to playing good football.

The tournament was split into two groups for under 15's and two for under 14's, consisting of 6 teams in each.

At the end of the group stage, South Australia was second in the under 14's after 4 wins and 1 loss, with the under 15's top of their group, remaining unbeaten with 4 wins and 1 draw. This meant that both teams progressed to the semi finals. The draw for the semi's pitched both SA teams against tournament heavyweights New South Wales, with both games going down to the wire.

SA under 14's drew 0-0 after extra time, but lost on a penalty shoot-out. Our State under 15's also went to extra time but eventually lost 3-1 after leading 1-0 for the majority of the game, a tremendous effort by both squads.

The playoffs for 3rd/4th place was an anticlimax, with both SA teams tired from their previous days marathon performances and the fielding of weakened teams, both teams finished 4th, but that shouldn't disguise the fact that South Australia's two teams had a great tournament and to many of the experts present, played the most attractive football of all the states.

The rest day during this tournament was spent with all state teams attending a Nike presentation, which featured a football quiz and I am pleased to say that the SA under 15's won, and received a pair of boots for every player.

# Coaching & Development

The girls tournament involved under 15 & 17's. The 15's missed out on a semi final spot on goal difference, which was a big improvement on their lowly position of last year, we would have liked them to have played in the 1-4-3-3 formation as per our national guidelines, but their style of play was more reactive to the way the opposition lined up.

The 17's in their early games played some great football and were very well organised, adopting the formation we wanted and looking to play out from the back at every opportunity, unfortunately they missed out on a semi's spot also on goal difference.

Much improvement is needed in the underpinning programs of the girls and womens game to raise the level of technique and game awareness. We need a bigger pool of players so that players selected for state teams are fully focused on football and not just their for the social side of things, this will need a bigger emphasis on Talent Identification and better support in these areas from the football community.

A need to provide focused and ambitious players to the W-League is evident. The level of co-operation between FFSA and the Adelaide United Coaching staff has been good in identifying the areas of concern mentioned.

A womens Senior State Team played two games against Adelaide United losing the first game 3-1, then made amends by winning the return 3-1. Once again the lack of ambition raised it's ugly head, as we struggled to field a team due to the unavailability of some players, even though there was still the opportunity to gain W-League contracts.

A girls Under 14 team and a boys Under 13 team competed in Canberra for the National Junior Championships where players were selected for Australia to play in a AFC competition, two girls and four

boys were selected for the national team's training camp, with three of the boys getting selected in the final squad.

## Game Development

**Women and Girls Football** came under the banner off FFSA in 2009 and it has been a busy year on and off the field with many new programs being in put in place for the first time to help grow numbers and continually improve the service offered to the female football community.

Over 12,000 girls and women have participated in these programs. Highlights have included two Mothers and Daughters programs run in the North East and the other in the South with a third to be completed in a Central area by early next year. So far 44 participants have taken part in the 6 week program.

We have conducted an Over 30s 7 a-side competition that ran for 10 weeks from early February with 6 teams and 50 women taking part in the social competition with the majority of players being new to the game.

School Clinics saw us visit over 10,000 girls and conduct girls only clinics, providing potential new players with a fantastic introduction the game. On top of these school clinics, 15 School Carnivals were conducted in various metropolitan areas which saw over 1200 girls from around the Metropolitan area take part in these events. With the carnivals catering for girl's teams from year 4 up to year 11 as wide a range as possible of girls were provided a chance to connect with the world game.

In term 4 we commenced a 6 week Small Sided Football program for girl's born 2000 - 2003 in Northern, Central and Southern areas with 30 girls taking part. And for the first time we conducted Girl's Academies that provide high quality player development for girl's in the Under 8

through Under 11 age groups. Scheduled at a Club friendly time of the year the program was well attended with 49 girls taking part over 3 locations.

As well as player programs, the FFSA conducted coach and referee development for those looking to become involved in the women's game which so far has included the delivery of Grassroots Coaching courses to over 100 participants and the delivery of Refereeing courses to 46 female participants.

Again work with New Arrivals continued as 22 participants took part in the project with the majority linked into clubs for the 2009 season. Another 12 Bhutanese females participated in coaching sessions at SAWSA Park.

## Indigenous Football Development

**Program:** Football Federation Australia (FFA) launched a 10 year national plan to increase the number of Indigenous people playing football. The official launch of the Indigenous Football Development Program was held with the assistance of Prime Minister Kevin Rudd. FFSA will be the driving force behind this program throughout South Australia over this period of time.

The Community have a responsibility to encourage more young people of Indigenous background to play football as a way to improve their life through better health, better education and improved skills. The 10 year aim is to have at least 5% of players in all national teams and major competitions of Indigenous background. The 'heart' of the Indigenous Football Development Program is an annual Indigenous Football Festival, with this year's inaugural event being staged in Townsville. The Indigenous Football Festival provides a participation purpose, and gives young

people from communities something to aspire to participate in each year.

The Indigenous Football Development Program will ensure that:

- Young Indigenous people continue to play and participate in the sport after each annual festival;
- FFA's ongoing talent identification programs incorporate Indigenous communities;
- Accredited coach and referee education programs are made available in communities.

Part of the Indigenous Football Development Program sees coach mentors visit Aboriginal communities around Australia. The coach mentors visit Aboriginal communities around Australia to give children an opportunity to learn some football skills and to promote participation in FFA's inaugural Indigenous Football Development Program.

Throughout South Australia, six come'n'try trial based sessions were conducted. Areas which held these Indigenous trials included Port Lincoln, Port Augusta, Ceduna, Coober Pedy, Adelaide Metro and Adelaide North. Approximately 100 Indigenous children aged between 13-16 years old, both boys and girls attended these sessions. An additional Indigenous Participation Day was later held in Port Augusta, with the assistance of Adelaide United Captain Travis Dodd and Perth Glory W-League Captain Tanya Oxtoby. Approximately 40 additional Indigenous children were in attendance.

As a result of the Indigenous trials held throughout the state, 32 players along with six team officials (coaches, managers and team leaders), were selected to represent South Australia at the Indigenous Football Festival. With the introduction, implementation and now the community awareness of this new program, Indigenous participation numbers for the future are expected to increase.

We continued our work with SASRAPID Inc to provide people with an integration difficulty the opportunity to pursue their sporting and recreational interests. During National Youth Week in conjunction with SASRAPID, FFSA conduct Football Gala Days for young people aged 12 - 25 held at the Salisbury High School.

Again the FFSA conducted a Gala Day for Special Olympics Australia which is a not-for-profit organisation that provides sports training and competition for people with an intellectual disability. The Development staff conducted a Gala Day at Santos Stadium for school students from around the State.

Also for the first time the FFSA threw its support behind the Paralympics 7 a-side Football team to lend support through training, clothing and trial matches as they prepared for their National Championships in Melbourne in October.

More work was continued with New Arrivals which included linking in two Sudanese communities with Adelaide University and the Collegiate Soccer League and the commencement of work with 38 males from the Bhutanese community. Providing professional training, training facilities and playing equipment.

**New Participation Programs** were introduced, all of which are designed to develop, promote and create community awareness, while also encouraging greater football participation. These programs implemented throughout the state by FFSA included:

- Optus Small Sided Football
- Cottee's Schools 5-a-Side gala days
- Indigenous Football Development Program

## Optus Small Sided Football

Optus Small Sided Football is about 'learning, self experiencing, having lots of touches on the ball and above all, children having fun every time they step on the pitch'.

Optus Small Sided Football is football games designed especially for children with fewer players participating on a smaller sized field. Even though there a fewer players participating in one particular game, due to the format design, in actual fact, more players can participate and play at any one given time, as up to 8 pitches can be marked out on a full adult sized playing field.

Optus Small Sided Football meets the developmental needs of young footballers whilst maintaining a strong focus on maximum participation and enjoyment. Players become more actively involved, due to playing both attacking and defensive roles within a match and will better understand the importance of team mates and playing football while working together. There is no emphasis on winning and losing.

Within the Junior Premier League catering for both boys and girls, 2009 included the age groups of U6-U8 participating in new structured formats. The South Australian Junior Soccer Association also implemented Optus Small Sided Football, with nine of the ten affiliated associations playing the latest grassroots brand of football. For season 2010, it is planned for the introduction of two new age groups, taking the roll out of formats up to and including U10's. There were approximately 4,000 registered players participating in Optus Small Sided Football throughout South Australia in 2009, with these numbers expected to grow significantly in the coming years.

# Coaching & Development

## Cottee's Schools 5-a-Side Gala Days

The Cottee's Schools 5-a-Side Gala Days are a new Game Development - school based program being implemented by FFSA, both locally and regionally. The Cottee's Schools 5-a-Side provides school students from years 3 and 4 with the opportunity to experience football in a fun and relaxed environment.

The Cottee's Schools 5-a-Side concept is an extremely simple one that will be replicated across Australia. Invites are sent out to a cluster of schools in an area where the gala day will be held. Up to eight schools are able to take part in any one day with each school supplying a girl's team, a boy's team and a mixed team. This gives each school an opportunity to include a whole class in the day's activities. Each team will have eight children with the mixed team having four girls and four boys.

A school attending the Cottee's Schools 5-a-side will play a minimum of 5 games in a round robin format. The simplified rules make the main focus of the day all about participation and enjoyment. This ensures that boys and girls of any ability are able to be included in teams and able to enjoy a day of football. The simplified rules allow teachers or older students who do not have any football experience to oversee the games and act as the Game Leader. There are no costs associated for the schools who are involved in the day.

There were seven Cottee's Schools 5-a-Side Gala Days held in both metropolitan Adelaide and regional South Australia. Approximately 1000 school students participated in these events.

## Schools

In 2009, we conducted 266 school visits throughout Adelaide and provided football specific coaching for 32,480 students. These visits included trips to the Riverland, Port Lincoln, Victor Harbor and Adelaide Hills. Schools were excited to have the coaches create a fun environment whilst teaching the students football skills and improve their knowledge of the world game. We received many positive comments from a majority of the schools, and they look forward to having our program come back and visit again in 2010.

There were many varied events that we also attended and conducted coaching clinics for, the Special Olympics, Novita Children Services, RAH Community Children's Centre, and Physical Education and Recreation South Australian Branch Inc (ACHPER). We also combined with the Active After-school Community to provide football for children in Out of Hours School Care and Vacation Care to encourage them to be active in football.

**School Holiday Clinics** were held by the FFSA at various regional locations across South Australia in a targeted effort to create greater opportunities for children in country areas. In addition we have still catered for children in metropolitan Adelaide with clinics being held at three local clubs in the September school holidays.

Regionally clinics have been held in Renmark, Pt Pirie, Pt Augusta, Pt Lincoln and Whyalla with over 250 children participating across all areas. The clinics have been

well received in regional areas and special thanks must go to the regional associations for their support in developing the program. It is envisaged that regional areas will again be involved in 2010.

In addition to those clinics held in regional South Australia the FFSA also held clinics across metropolitan Adelaide with three JPL clubs hosting clinics in September and October. Playford City Patriots, Adelaide Comets and South Adelaide Panthers hosted clinics in the last week of September with over 100 children participating.

## Coach Education

### *The Grassroots Coaching Certificate*

This is a certificate aimed specifically at parents and teachers as an introduction to coaching. This is a three hour practical course with a comprehensive book to accompany it, which is also a great reference tool for future coaching.

15 Grassroots Courses were conducted, with 240 Coaches attending in Metro and Regional areas throughout South Australia.

### *Junior Licence Coaching Course*

This course is aimed towards the beginner coach, managers, parents, teachers and prospective coaches of junior club teams interested in development training methods. 12 Junior Licence Courses were conducted in the Metro and Regional areas with 161 Coaches gaining their accreditation.

### *Youth Licence Coaching Course*

This course is aimed at coaches or prospective coaches of Youth players up to amateur Senior Competition Level. 5 Youth Licence Coaching Courses were conducted in SA, with 68 Coaches in attendance.

### *Senior Licence Coaching Course*

1 course conducted, 24 coaches gained their accreditation.

## FFSA Annual Coaches Licence

Coaches receive with their fee a year's subscription to the Soccer Coaching International Website. Coaches that attend a Junior, Youth or Senior Licence receive this subscription as part of their course fee.

Approximately 300 Coaches from various coaching levels have registered.

## Futsal Tournament

FFSA in conjunction with Futsal SA held the inaugural Futsal Super Cup at ETSA Park. The tournament was the first of its kind in SA and had teams participate from Super, Premier, State League & Collegiate clubs as well as numerous Futsal SA run competitions in a 2-Day knock out competition.

16 teams entered the tournament which was developed as a promotional tool for the sport showcasing the best Futsal players from both the indoor and outdoor game in South Australia. Teams participated in group matches on the Saturday before numbers were reduced down to 4 for the Sunday morning semi finals. As expected finals on the Sunday were extremely close with two sides from both outdoor and indoor competitions competing in semi final matches. In the end it was a team from Futsal SA's Campbelltown competition which took out the final beating the Wanderers from Magill in a close fought contest.

## Referee Education

Over 480 students undertook FFA Level 5 and 4 referee programs and Level 3 and 2 inspector programs in 2009. A focus on schools continued to provide a large number of students for the programs and this focus will be continued and expanded. The introduction of registering referees directly with FFSA assisted in converting a larger proportion of these graduates

into active members. The challenge is to provide sufficient training opportunities and mentors for these new referees.

Regional visits were conducted in Mount Gambier, Port Augusta, Port Lincoln, Port Pirie and Ceduna. Support was offered for referees in these areas and courses conducted. Following the model of focussing on schools as is done in the metropolitan area was successful with the assistance of SAASTA and this is to be continued and expanded. The creation of refereeing bodies to support referees in regional areas is seen as being integral to the sustainability of referee recruitment and retention.

The Coloured Shirt Program continued with the support of the Government of South Australia Office for Recreation and Sport and Adelaide United FC. The program's aims include easier identification of inexperienced match officials and their needs; and combating and reducing abuse towards them. Combining this program with sufficient training opportunities and mentors is seen as the next step in addressing the game's needs. It is hoped that this can be achieved with the assistance of all referee bodies.

## Referee Development Squad

This squad was again brought together to accelerate development of referees with intensive coaching and training by experienced instructors. The format of the program was changed this year with a focus on coaching and training during competition allowing for immediate and specific education of these referees. This was only made possible with the assistance of South Australian Junior Soccer Association and the organising committees of the Country Championships and State Talent Identification Championships.

It has been a pleasure to work with all the staff, officials and players from the various state teams and development squads, where I believe a strong foundation has been laid for the boys and gaps identified with the girls, which will enable the talented players to realise their dreams.

The FFSA Coaching and Development staff have provided an excellent service to all areas of the game and have worked solidly to assist in unification of the sport.

Special thanks to Vito Basile and his departmental colleagues at FFA, Game Development Officers Jonathan Ruse, Airtion Andrioli, Nathan Kosmina, and Richie Alagich, Referee Development Officer Matthew Cream and the excellent support given to me by CEO Michael Carter.

# Financial Statements

## FOOTBALL FEDERATION SA INC

### STATEMENT BY MEMBERS OF THE COMMITTEE FOR THE YEAR ENDED 31 OCTOBER 2009

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the accompanying financial report as set out on pages 2 to 7:

- 1 Presents fairly the financial position of Football Federation SA Inc at 31 October 2009 and its performance for the year ended on that date in accordance with Australian Accounting Standards and mandatory professional reporting requirements
- 2 In accordance with section 35(5) of the Associations Incorporation Act 1985, the committee hereby states that during the financial year ended 31 October 2009:
  - (a)
    - (i) no officer of the association;
    - (ii) no firm of which an officer is a member, and
    - (iii) no body corporate in which an officer has a substantial financial interest, has received or become entitled to receive a benefit as a result of a contract between the officer, firm or body corporate and the association
  - (b) no officer of the association has received directly or indirectly from the association any payment or other benefit of a pecuniary value.
- 3 At the date of this statement there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

### Notes to the Financial Statements for the Year Ended 31 October 2009

#### Note 1: Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1985. The Committee of Management has determined that the Association is not a reporting entity.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuation of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report.

#### (a) Income Tax

Under Section 50.5 of the Income Tax Assessment Act 1997 the income of the Association is exempt from income tax.

#### (b) Property, Plant & Equipment

Property, plant and equipment are depreciated over their estimated useful lives using either the straight line or diminishing value method.

Profit and losses on disposal of property, plant & equipment are taken into account in determining the surplus for the year.

#### (c) Goods & Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown as inclusive of GST.

#### (d) Employee Benefits

Provision is made in respect of the Association's liability for annual leave at balance date.

Long service leave is accrued in respect of employees with more than seven years employment with the Association.

Contributions are made by the Association to an employee superannuation fund and are charged as expenses when incurred. The Association has no legal obligation to provide benefits to employees on retirement.

<b>Note 2: Trade &amp; Sundry Debtors</b>	<b>2009</b>	<b>2008</b>
Trade Debtors	146,563	157,127
Less: Provision for Doubtful debts	-	13,826
	<b>146,563</b>	<b>143,301</b>

#### Note 3: Contingent Liability

A contingent liability exists in relation to the potential repayment of surplus funds to any funding bodies. It is the board's view that any surplus represents unexpended funds and will not be repayable.

# Financial Statements

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF  
FOOTBALL FEDERATION SA INC

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of Football Federation SA Inc (the association), which comprises the balance sheet as at 31 October 2009 for the year then ended, the income statement, statement of changes in equity, a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report, are consistent with the financial reporting requirements of the Associations Incorporation Act 1985 and are appropriate to meet the needs of the members. The committee's responsibilities also include designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting under the Associations Incorporation Act 1985. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion, the financial report of Football Federation SA Inc presents fairly, in all material respects the financial position of Football Federation SA Inc as of 31 October 2009 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the Associations Incorporation Act 1985.

In our opinion the accounts on which the reports are based are considered adequate pursuant to Section 37(3)(d) of the Associations Incorporation Act 1985, given the nature and scope of the activities of the association.

## State Talent Identification Championships

## Federation Cup

The 2009 FFSA State Talent Identification Championships (STIC) were held at The Paddocks hosted by the Para Hills Knights Soccer Club.

The Championships provided 560 boys and girls with the opportunity to showcase their talent and skills and enable them to be identified for 2010 programs.

For the first time, Country fielded a team in the Under 12 Girls competition. This is a testament to the growth in the sport in

regional centres.

Another first for the 2009 event was that the match officials were officiated by the FFSA Referee Development Squad including A-League, W-League and Youth League match officials along with qualified inspectors to mentor the referees throughout the tournament.

The STIC event provides not only a pathway for players, but also a pathway for coaches and referees within South Australia.

The Top Corner Sports Federation Cup featured all Super, Premier and State League clubs along with six Collegiate League clubs and two regional association teams.

The Preliminary Round saw Enfield City travel to Mount Gambier to take on Western Border champions, International, with Enfield City coming away with a 3-0 victory. New club The Cove defeated Immanuel College 4-1 while Norwood pushed Port Pirie City all the way, however could not come back from Port Pirie City's 2-0 lead.

In Round 1, Salisbury United knocked Mercedes College out of the Cup with a 3-0 scoreline. Scotch College were defeated by MetroStars 7-0, while Modbury shocked Raiders by defeating them 3-1.

Enfield city continued their winning form by knocking out Super League outfit Adelaide Hills, while Croydon knocked out another

Super League club in Adelaide Galaxy. White City Woodville was another club to defeat a Super League club, after beating Modbury 2-1.

Favourites for the Cup title, Adelaide City and MetroStars were drawn to play in the Quarter Finals with Adelaide City winning 3-2 on penalties.

In the Semi Finals, Cumberland United scored an upset victory with a late penalty strike against Adelaide City, while Campbelltown City ended Enfield City's fairytale run to move into the Cup Final.

In front of a vocal crowd, the Top Corner Sports Federation Cup Final went the distance, as Campbelltown City and Cumberland United could not break the deadlock, and the match went into a penalty shoot out. Cumberland United scored all five of their spot kicks to take out the 2009 Cup title, their second title since 1978.

## Awards Night

The 2009 Football Federation South Australia Awards Night was once again held in the beautiful surrounds of the Adelaide Oval in The Marquee, on Wednesday 2 September. The awards night is a celebration of the achievements of individual players and clubs during the season as well as a time to recognise the contribution made to the sport by individuals to be inducted into the Hall of Fame.

The evening was very well represented with approximately 400 guests in attendance including invited dignitaries Hon. Michael Wright MP Minister for Recreation, Sport and Racing, Paul Anderson Executive Director of the Office for Recreation and Sport, Hon. Terry Stephens MLC Shadow Minister for Sport, Tony Zappia MP, Federal Member for Makin, Gerome Maguire CEO Attorney-Generals Department, Simon Forrest Multicultural SA, Gareth Smith Adelaide Shores, Peter Smith, CEO Adelaide City Council and Nichola Kapitza Manager Culture, Recreation and Youth for City of Salisbury.

Everyone in attendance witnessed Richie Alagich, who claimed his second Sergio Melta Medal for the Super League Player of the Year after an outstanding performance playing for Raiders. Richie polled nine best on ground performances, receiving votes in every round that he played in except for two matches and winning the award by a massive 19 votes.

In addition to acknowledging the individual award winners of Season 2009, it gave Football Federation South Australia great pleasure to induct a further three people into the Hall of Fame. Football Federation SA would

like to congratulate Santo Chic Caudo, Norm Graham and Peter Marafioti on being inducted into the Hall of Fame and for their contribution to our sport.

The Football Federation South Australia Awards Night continues to provide an opportunity for the football community to acknowledge the achievements of the sport and to celebrate the season that has been.

2009 Hall of Fame Inductees

Minister for Recreation, Sport and Racing, the Hon. Michael Wright MP

Denis Harlow and Michael Carter CEO

Les Ivory Award Winners Benjamin Ebert and Mohammed Nazari

## Alagich Claims Sergio Melta Medal

Richie Alagich

Richie Alagich claimed his second Sergio Melta Medal for the Super League Player of the Year at the 2009 Football Federation SA Awards Night at Adelaide Oval, after an outstanding performance playing for Raiders.

Alagich, who won the 2004 Sergio Melta Medal with Raiders and also the 1993 Bob Telfer Medal with Pirates (Premier League Player of the Year), received the honour after outvoting Super League top goalscorer Jason Trimboli from Campbelltown City and Western Strikers

midfielder Elias Vlassis by 19 votes.

Alagich joins Peter McKenzie and Michael Brooks as the equal eighth highest votes received with Eugene Novak leading with 48 votes from 18 matches playing for Polonia in 1967.

# Events

## Awards Night

### Milosevic Takes Out Bob Telfer Medal

John Kosmina & Branko Milosevic

Adelaide Olympic's Branko Milosevic took out the 2009 Bob Telfer Medal for the Devine Homes Premier League Player of the Year after storming through to receive 15 votes in the remaining nine matches of the season.

45 year old Milosevic received three votes in the final match of the season against the SA Sports Institute to pip Cumberland United captain Daniel Graystone and Croydon captain Joe Lagana, both of whom did not receive any votes in their

final match, along with Adelaide Comets' Elias Demourtzidis.

The former West Adelaide National Soccer League player registered to play after five matches in the season and teamed up with his 17 year old son Alen, who made his Senior debut this season.

### Enfield City's Waller Named Milan Ivanovic Medallist

Milan Ivanovic and Russell Waller

Enfield City added to their Minor Premiership success as Russell Waller took out the Milan Ivanovic Medal as the Devine Homes State League Player of the Year, beating exciting young Seaford striker Faustin Machochi by one vote.

Waller, who joined Enfield City after a spell with MetroStars in the Super League, received six best on ground performances in his 22 votes.

20 year old Machochi came to Australia from Congo two years ago and required

three votes in the final match of the season to claim the medal after Waller did not receive any votes. Machochi received one vote and missed out by the same margin, as Waller remained on top of the vote count despite not receiving any votes in his final two matches of the season.

Left to right: John Mundy, John Duthie (Super League Coach of the Year) and Graham Cooke.

### 2009 SAJSA Report

by Ray Matthews

# South Australian Junior Soccer Association

Once again SAJSA have completed a successful year overseeing the two representative championships, State at Mount Gambier in June and Country in Port Lincoln during September.

Both these events were arranged and hosted by the respective Associations on our behalf, Western Border Soccer Association and Port Lincoln Soccer Association.

Western Border as usual, hosted the event in a very professional manner using a new venue encompassing all pitches in the one location. Unfortunately the usual South East weather provided plenty of rain, but overall it did not affect the pitches at all which were in excellent condition. Once again an even spread of age group winners were evident, and provided a very even championship.

Approaching September, our Executives were a little apprehensive because the attending team nominations were down, owing to the distance involved and costs due to the economic climate. We were also hoping that Port Lincoln would be able to host the event because it was their first attempt and had to play games on two different venues approximately 3 km apart.

By lunchtime on the first day it was obvious our concerns were completely unfounded, because a full programme of games were programmed and the organisation of the whole event was one of the best SAJSA has ever experienced.

Added to this the whole community supported the event with sponsorship and volunteers taking the burden away from a select few which is the norm.

It was also pleasing to see that because of the distance involved many parents and officials elected to extend their stay in the region and sightsee.

Once again the winning Associations were spread across all age groups.

Finally as reported last year all Associations were to vote on continuance of their affiliation with FFSA at the AGM in June. It was pleasing to see Michael Carter (CEO, FFSA) make himself available for this meeting to answer any queries that may arise.

Overall all Associations were extremely happy with the services received from FFSA and voted unanimously to continue the affiliation.

In conclusion I would like to extend my thanks to a few people for their contributions during the year.

John Mundy and his team of coaches for providing services to all SAJSA Associations.

Matthew Cream, the coaches and trainee referees for providing refereeing services at the championships in Port Lincoln.

Adelaide United FC for providing players to mingle with and give out merchandise in both Mount Gambier and Port Lincoln.

Last but not least, all Association's officials, coaches and my SAJSA Executive, Barry Lewis, Rob Kilpatrick, Sam Pipinis and Steve Poutakidis.

# Futsal SA

## Futsal Summary 2009

by Arthur Di Fede

### Futsal Open Men Competitions Magill and The Gardens

2009 was an exciting and eventful year for Futsal SA with Open Men's Competitions running 3 nights a week in two different venues all year round. The Magill Sports Centre and The Gardens Recreation Centre Competitions continue to grow with more quality players and teams. The matches have been exciting, competitive and of high standard and also very well supported by the spectators. Futsal SA will be looking at improving the competitions next year after the introduction of the Inaugural Futsal SA/FFSA Super Cup held at ETSA Park on the October Long Weekend, with the assistance of Nathan Kosmina from the FFSA. For the first time the Champions from Magill and The Gardens Open Men's competition will play off in the 'Futsal Champion of Champions' Tournament to be held in mid December.

### Active After - School Program

Futsal SA has again been involved with this Government initiative and have continued to deliver quality and fun Futsal Clinics at schools throughout metropolitan Adelaide. Involvement in the Active After Schools Program further promotes the indoor game as an option for participation.

### Futsal Development in the North continues

The name of Futsal in the northern area continues to grow by holding clinics at schools, competitions and other events during the year. Futsal SA Development Officer Ray Grima is pleased with the support Futsal SA is getting from northern metropolitan clubs who promote the code and bring their children to the events and competitions. Futsal Clinics have been held during the year in the school holidays at the

Ingle Farm Recreation Centre, The Gardens Recreation Centre, St Jays Recreation Centre and at the Gawler Recreation Centre with each of them being very well attended.

### Futsal Carnival

In conjunction with the City of Salisbury and the Gardens Recreation Centre, Futsal SA held a Junior School Holiday Futsal Carnival in September. Teams from as far as Jamestown and also from Yorke Peninsula (Minlaton) joined the northern teams in the two day Futsal Carnival. Some of the local teams took the opportunity to use the carnival as a good warm up to the upcoming Futsal Competitions in the summer months. The winners were awarded with medals and all the participants were presented with a participation certificate and a Futsal Carnival show bag. Feedback from the carnival was positive and plans are well on their way for an annual carnival in the North.

### Growing For Gold

Futsal SA took part in the Growing for Gold Program held by the City of Salisbury, a program which gives the opportunity for young people to try a range of different sports for free in the their local community. Futsal SA held two sessions where over 70 children enjoyed learning the Futsal skills and learning to play the game, all participants were treated to a \$30 voucher from local community businesses.

### St Jays Junior Competition

The Junior Competition at St Jays Recreation Centre in Salisbury is in its third year and has grown in the number of teams participating and as a sport played in the north. The players range from the ages of Under 7 to Under 14 and matches

are played on the weekends between October and March each year. This year three players from St Jays have also been selected in State teams to take part in the National Futsal Championships in Canberra in January 2010 giving the Northern kids the opportunity to better themselves.

### Futsal SA Referees involvement and Development

- Four referees were selected to officiate in the National Futsal Championships; Brendon Skinner, David Greco, Matthew Graser and Ethan Schulze. Ray Grima was invited to act as a mentor and assessor at the Nationals.
- In March - Referees Ray Grima and John Greco were invited to officiate at the Masters Futsal Competition in Geelong.
- In June - Ray Grima was invited by Football Federation Victoria to officiate, mentor and assess FFV Futsal Referees at the School Futsal Championships held at Box Hill.
- Football Federation Australia sponsored a Futsal seminar in Sydney in June to roll out the new Level 3 Futsal Course. Futsal Referee Coaches from each state were invited to the 2 day seminar with Ray Grima, Brendon

Skinner and Airlie Keane attending the seminar from SA.

- Ray Grima and John Greco travelled to Jamestown to hold an introductory Futsal Referee Course in July.
- 6 Elite Futsal Referees officiated at the Inaugural FFSA/Futsal SA Super Cup at ETSA Park.
