CELEBRATING COMMUNITY UMPIRING WEEK

Community football is grass roots football. In the WRFL we are very proud of our grass roots football community, which is one of the largest in Victoria in terms of games each weekend. Our junior football competition covers over 85 games of football each Sunday, from Under 9s to Under 16s and multiple grades of each level. Whilst we also have 20 Division One Senior and Reserve grade games, 22 Division Two Senior and Reserve grade games and seven Under 18s games, totalling 49 games of 'senior' football. With 134 games of football played every week in the WRFL, we require over 260 umpires each weekend, with around 150 younger umpires involved in junior football each Sunday.

It is from this group of younger umpires where we have been able to develop many of our current senior umpires in all three disciplines of field, boundary and goal umpires. When playing football, there is a pathway to play AFL, likewise umpiring in the WRFL can and has, led to AFL umpiring. Currently the 2014 Victorian based AFL boundary umpires have five umpires out of the 18 boundary umpire panel (27%) who have started and learnt the skills in the WRFL. Troy Pannell is a senior field umpire whilst goal umpires David Dixon and Michael Craig are also WRFL graduates.

The current WRFL senior field, boundary and goal umpire panels include umpires who have learnt their skills through the WRFL Umpires Academy program

established in 2009. Shamus Dundon, Ryan Webster, Bernie O'Dwyer, Dean McGowan and Cameron Terrill are field umpires who are umpiring Division One and Two football. The boundary umpires include a very large list with Josh McMorrow being the stand out who has been selected to umpire in the Metro V Country Championship final in June, he also boundary umpired last year's Division One Grand Final. Whilst in the goals we have a number of young umpires now umpiring in Division One and Two senior football on a regular basis.

The green shirt program is designed to recognise umpires in their first year of field umpiring. Whilst we have a number of first year umpires in the boundary and goal, they wear the traditional WRFL white uniforms as field umpires are the ones open to the greatest scrutiny from the spectators, so they wear green to indicate they are learning their skill. We are very fortunate in the WRFL that the football community fully supports the young green shirt umpires, and in fact all umpires, which in turn allows the game of football to further develop in our league.

This weekend, as part of the AFL fixture, the focus is on community umpiring, however I would suggest it is just another weekend of great football in the WRFL and the umpiring group is just another team trying to do their best, like all teams in the WRFL.

Good luck to all teams in 2014, and enjoy the great game we are all involved in.

300 GAMES FOR A GOALIE GREAT

By Graeme Hodgart

Recently, the WRFL saw one of its long-serving goal umpires reach a very special milestone last Friday afternoon. While it was a day for the nation to remember its Anzacs past and present, for Paul Battaglia, it was also the day he adjudicated his 300th Division One Senior game between Sunshine and Werribee Districts.

Easily recognised by his small stature and gentle nature, Paul is one of a mere few goal umpires to attest to such an achievement. Sharing his milestone match were fellow umpires Greg Denison, Adrian O'Donnell, Willie Watson (field), Shannessy Adams, Bianca Michetti and Lewis Spiker (boundary) and Brendan Moloney (goal).

On the eve of his milestone game, Paul said that he was proud of his achievements as a goal umpire.

"I am extremely proud and feel privileged that at my age, I am still reasonably fit and healthy to continue umpiring," he said.

A modest man, Paul didn't mention that while he had achieved his 300th division one senior match, he had also reached a number of other achievements throughout his career including umpiring no less than eight Division One Senior Grand Finals including the 2013 blockbuster between Deer Park and Spotswood.

Although associated with the league for nearly forty years, it is only since 1995 that Paul decided to venture into goal umpiring.

For many years, Paul was a well-known face at the Kingsville Football Club which has now evolved into the Yarraville Seddon Eagles. There he performed many tasks that were needed to help out at the club, even playing a handful of games when the reserves team were short of players. Before donning the whites 19 years ago, Paul vividly remembers that he didn't have much time for the umpires especially John Booker and John Shadlow. Yet at his first night of umpires' training, Paul recalls his opinion fast changing after John Booker went out of his way to welcome him into the umpiring fraternity.

Now at the WRFL Umpires' Association, Paul is seen doing many of the behind the scenes duties. When he is not out on the training track, he can be seen serving in the kitchen/bar area and can be regularly spotted stocking up the fridge as well as keeping the social and change rooms neat-just another time-consuming task he has willingly taken onboard.

It should also be pointed out that Paul is always ready and willing to help and encourage others. Whether at training or on a match day, he will offer assistance or advice to his fellow umpires, mentoring a number

of young goal umpires from the Werribee Academy (MacKillop College) over the past five years.

On the same weekend that Paul was notching up his impressive game tally, one of the new young goal umpires from MacKillop was walking out to do his first game. Working with a mentor for three previous games this season, 14-year-old Tim Bertino teamed up with the goalies' coach, Graeme Hodgart, to officiate the Altona v Yarraville Seddon Eagles under 18s game. Despite not being the best footballer, Tim decided to continue to be involved in the game he loved and sign up as a trainee goalie this year. A regular attendee at the MacKillop training sessions, Tim is keen to ask many questions and is learning quickly. While he realises that he still has a lot more to learn before he gets a chance to umpire senior football, Tim is inspired by Paul who is a great example of what hard work can achieve. No doubt, if Tim continues to work hard and has the passion for learning, he may one day be notching up his 300th milestone game in the future.

UMPIRES MATES PROGRAM – SUPPORTING LOCAL TALENT

How incredible would it be to have an AFL footballer at your child's local footy training showing them how to kick the perfect drop punt? Or perhaps Stephanie Rice could be at the swimming pool, adjusting freestyle techniques? I know I would certainly love to have Adam Scott guiding me through my approach to the 18th on the fairway at Spotswood. Yet unfortunately, the gap between amateur and professional is one rarely crossed, the closest us mortals generally get to those true masters of their craft is a courtside seat or a lounge room chair.

The AFL though, is striving to at least narrow the gap, giving locals a taste of the top level. The 'AFL Mates Program' is into its ninth year, pairing some of the best 16-25 year old suburban umpires with those who have already made it to the AFL. The professionals will be on hand throughout the season to provide advice and guidance to their young charges.

Two of the Western Region Football League's most talented young umpires in Ryan Webster and Dean McGowan were lucky enough to be given the chance to learn from one of the best in the business, AFL umpire Tristan Burgess. The duo will be paired with Tristan for the duration of the season, as he passes on tips and advice about one of the toughest jobs in football.

Burgess will be in weekly contact with his young pupils while also taking them to AFL games and getting to the local footy to give first hand advice to Ryan and Dean. For Tristan, into his third season as an AFL umpire, the program provides a chance to give back.

"It's absolutely fantastic for us to help out with the young umpires coming through," he said.

"We're not there to coach, we're just here to assist and help out with anything from the perspective of actual AFL umpires."

Through his mentoring role, Burgess wishes to imbue a sense of the commitment required to reach the highest level.

"It's very important for us to be the best we can be, if you just don't want something you'll do the basics, but if you want to achieve something you'll do as much as possible."

One day, bouncing the ball on the biggest stage is the dream for MacKillop College Umpiring Academy

products
16-year-old
Ryan Webster
and 18-year-old
Dean
McGowan.

Dean believes the Mates Program will not only add to his skill set, but also his belief.

"AFL is the overall dream that I'd love to achieve and doing other things like this does help me believe that I can do it."

Ryan echoes the idea that the Mates Program may be a key building block in the development of his career.

"It's everyone's big goal (AFL) but it feels out of reach, but the Mates Program might at least help get me into the VFL, that would be the main goal at the moment...just one step at a time," he said.

Both are already seeing benefits from their initial discussions with Tristan, who has already imparted the importance of preparation and thoroughness, which Ryan believes is the key to improvement.

"Just getting that mentality of planning before I go into a game and just getting my mindset right, not walking into a game and thinking alright I already know what to do, planning each time, improving each time and growing as an umpire," he said.

The AFL must be credited for instituting a program that can only see youngsters improve in what is one of the game's toughest roles. It is hard to imagine anyone not learning extensive amounts from a professional- let alone two ambitious teenagers, passionate about their craft and willing to learn.

That form line I wrote about last week got even blurrier after the round three games. I don't expect any better clarity by 6pm this Saturday night.

What a great surprise packet Werribee Districts have proved to be. The scalps of Hoppers Crossing and Sunshine now sit on the mantelpiece, and Wade Chapman must be delighted with the showing of his boys so far. The season is only a few weeks old, but the boys from Soldiers Reserve have already made a statement. This week they face Port Melbourne Colts, in what is probably the match of the round.

Colts are close to getting their best side on the park and when they do, look out. Talent like Julier, Bonnett, Twomey, Sutcliffe, Jacobs and D'Altera will be a handful for every side. Steve Thom rates Cameron D'Altera, and believes he is one the most underrated players in the competition, an opinion I share. This game could set Districts up for the season, and would be another handy scalp on the belt.

The radio game this week is Yarraville Seddon Eagles and St. Albans at Yarraville Oval. The Eagles have had a poor start to the season while the Saints finally showed some form last week, to knock over the much fancied Spotswood. It will be our first look at both sides for 2014, and hopefully the Eagles won't have a wedding to deplete their playing stocks. The Saints team on paper looks strong, with Dion Lawson a great addition to Jenkins, Ford, West, Fitzpatrick and the always lively Lachlan Baddeley. Jesse Smith is getting a tough baptism as a senior coach, and it won't be any easier this week for his Eagles.

Sunshine need to make a statement this week when they travel to the Lions' den. The Kangaroos were touted as a top three certainty pre-season, but the wheels have fallen off, and their one win of the season, now does not look too convincing. They won't beat Deer Park, but they need to show some bottle and make the 'Dream Team' work for the four points.

*St Albans coach Marcus Barclay explains his next move to Lachlan Baddeley at the three-quarter time huddle.

Hoppers and Altona are both coming off confidence boosting wins and their clash should be a beauty. Both clubs have a lot of new faces, and with the tightness of the competition, this is a game that could have a massive impact on the final standings.

Spotswood need to bounce back after a narrow loss to the Saints. They come up against a very promising young Albion side that will get better as the year goes on. Aaron Tymms has a pretty good mix of youth and experience in his side, who will win their fare share of games during the season.

RESERVES REPORT

It may have taken until Round Three, but the Werribee Districts Tigers have registered their first win of the season and also their first win in their return to the WRFL.

After a tight loss first up against Hoppers Crossing and a Round Two belting at the hands of Deer Park, the Tigers got their season going with a thrilling six point win against Sunshine.

As the league honoured the fearless work of the ANZACs both past and present last Friday, Werribee Districts had to fight all the way for their first win as they trailed at every break.

Down by 12-points at three quarter time, the Tigers kicked five goals to two in the last quarter, to run out winners-the final score 14.5.89 to 12.11.83. Straight kicking was the key for the visitors as they won the game with four less scoring shots. Ryan Harrington kicked five for the winners, while teammate Dillon Taylor kicked three. Despite the loss, Sunshine's Mitchell Shellie kept it close, kicking four goals for the day. The Tigers move up to sixth with their first win, while Sunshine drop to fourth.

In other Round 3 matches, Deer Park continued Albion's miserable start to the season, with a dominant 145-point win in their ANZAC Day encounter. The Lions had 14 different goal scorers for the day to the Cats' three, highlighting the extreme depth of the Deer Park outfit. The final score 25.15.165 to 3.2.20. The win sees the Lions jump to third on the ladder, while the Cats remain at the foot of the table.

St.Albans continued their brilliant start to the season as they won their fourth game of the season. The Saints have benefited from an extra game having defeated Hoppers Crossing by 62-points on Good Friday and they continued their unblemished start against Spotswood, winning 20.13.133 to 3.4.22. The 111-point win leaves St.Albans on top of the ladder with a healthy percentage of 412.39%.

Altona remain the only other undefeated team in the competition, with the Vikings getting the better of Yarraville Seddon Eagles, 15.11.101 to 3.4.22. Altona's Nathan Wapshott and Omar Abou-Zeid ran rings around their Eagle opponents, while teammate Matt McCartney top scored on the day with three goals.

And in the closest game of the round, Port Melbourne secured their first win of the season, in a tight four-point win over Hoppers Crossing. Despite having a 14-point lead at three-quarter time, the Colts were able to hold on to fight off a determined Warriors outfit to run out victors. The final score: 4.8.92 to 12.16.88.

Round Four sees two teams with two wins go head to head as Sunshine travel to face Deer Park. The undefeated Vikings face a tricky trip when they head to Hogans Road to play Hoppers Crossing, while Spotswood will look to bounce back from their big loss against a winless Albion. Two sides who grabbed their first win in Round 3 will also do battle as Werribee Districts host Port Melbourne and Yarraville Seddon face ladder leaders St.Albans.

It seems Werribee Districts were in safe hands with this great overhead mark during their match against Sunshine last weekend.

DIVISION TWO SENIORS REPORT

Anzac Day football deserves a certain style of game. It must be hard fought and fierce, big comebacks are welcome and ideally the game goes down to the wire. Braybrook and Albanvale delivered just that in a hard fought clash at Pennell Reserve, in the traditional Anzac Day afternoon timeslot.

Both sides were yet to record a win in 2014 and for three quarters the Bombers looked like a side determined to break their duck. Steven Pearce was given too much space at full forward, finishing with four goals for the home side, while teammate Paul Cutajar Milosev was lively up forward, winning contests and halving the ones he couldn't and big ruckman Matthew Charenko was important around the ground. With a five goal lead at three quarter time, the word coming from the camp was to play tempo footy and defend a comfortable lead.

Someone forgot to give Albanvale the script though. Kicking with the wind in the last, the Cobras run and carry started to cause stage fright amongst the Bombers. Sean Blake's hard running and long kicking off half back was important for the Cobras and big full forward Lachlan Calder was making his presence felt, even if not fully converting ample opportunities. The Bombers were shaken, pumping the ball long out of the back half and straight to Albanvale, but the Cobras weren't able to convert.

A goal after the siren meant Albanvale succumbed by three points in an encounter worthy of Anzac Day, 12.10 82 to the Bombers 12.13 85.

Around the grounds, reigning premiers Glen Orden pumped North Sunshine by 197-points. The win sends the Hawks to third place on the ladder but things look miserable for North Sunshine with Division Three on the horizon.

Sanctuary Lakes got the monkey off their back securing their first win of the season over the struggling Laverton Magpies. The depth of the Sharks was on show with 10 different goal kickers in the 15 goal win.

Sunshine Heights' winning start to the season is over after running in to a Manor Lakes side finding their feet. Last year's finalists will be keen to maintain contact with the top four.

Goals were hard to come by for Tarneit in Round Three, again being held goalless against Parkside. Things should get easier for the Titans though having played two top four sides in consecutive rounds but Parkside were imperious. They have moved to the top of the ladder with an incredible percentage of 680 and look the team to beat.

At the Falcon's new nest, Paul O'Shea was the difference for Wyndhamvale booting four in a dogfight against West Footscray. The Falcons restricted the Roosters to only six goals for the game with Damien Yze only managing two. Opposition clubs must be wondering whether the formula is stopping Yze means stopping the Roosters?

In an upset, North Footscray beat Caroline Springs by

57-points. After a slow start the Devils are building well into season 2014. The deadly duo of Kieran Murphy and Sam Kater will continue to cause problems in North Footscray's assault on the finals.

Round Four promises some exciting clashes as the ladder begins to sort itself out.

Albanvale may be in for a tough afternoon against a Caroline Springs outfit bent on retribution.

North Sunshine travel to Braybrook in a game that both clubs should fancy their chances in.

The standard of footy will be terrific as Manor Lakes battle Glen Orden in the game of the round.

Wyndhamvale will be in for a battle travelling to North Footscray in a classic eight point game for two aspiring finalists.

A young Dragons side will see how they measure up against the league's benchmark Parkside.

Tarneit hope things will be somewhat easier against a young Sharks side who will be favourites in a battle of two newcomers, while Laverton must improve if they hope to gain anything against an accomplished West Footscray outfit.

DIVISION TWO

RESERVES REPORT

Fierce combatants viciously contested the red leather upon lush battlefields last weekend, as the season marched through round three. Many close encounters developed as the competition experienced competitive results, on a patriotic weekend that our nation embraced and remembered its Anzac heroes.

Braybrook and Albanvale kicked off proceedings on Anzac Day with raw spirit and determination. The contest was close and the result no forgone conclusion, as Braybrook forced a three goal buffer at the final change to clinch victory. Failing to take advantage of ten more scoring shots, inaccurate kicking from the Brookers kept the Cobras in the contest up to half time. But a gutsy last term saw the home side eventually break the shackles to record a 34-point victory, their first win for the season.

Whilst it was a close encounter at Pennell Reserve, the match of the round took place at Wyndham Vale South Oval between the Falcons and West Footscray. The prize for the victors was a perfect winning record, while the consequence of defeat would see the infiltration of a first loss. In breezy conditions that suited the nature of the contest, nothing separated the sides at quarter time albeit for some inaccurate kicking by the visitors. However, Wyndhamvale struck first blood and held West Footscray to one solitary point on route to a 13-point lead at half-time.

Determined to not give up their perfect winning streak, West Footscray hit back strongly after the main break, kicking four goals to one in the third term to hold a five point lead heading into the last. With the best afield performance from Samuel Ross and the contributions of Daniel Mason, Zac Mcrae, Mitchell Buck and Allen Jeffries, the Roosters sailed home for their third consecutive win by a mere seven points. Despite the loss, Falcon Nathan Evans showed promise, snagging three for the day while teammates Jason Kreihn, Joshua Davies and James Tessari led gallantly from the front.

In other results, North Footscray held off a persistent Caroline Springs by 24-points, while Glen Orden took full advantage of the wind when they had it, to account comfortably for North Sunshine by 62-points. Sanctuary Lakes had 137 reasons to celebrate over Laverton and Parkside showed the Tarneit Titans no mercy, winning by 222-points. At the going down of the sun, Parkside look like the team to beat, jumping to the top of the competition ladder with a healthy percentage of 829%. Round Four will see Parkside's next encounter against Sunshine Heights at home, while Wyndhamvale endure North Footscray in a second versus fourth place battle. Manor Lakes host Glen Orden while cross-town rivals Braybrook host North Sunshine at Pennell Reserve. Albanvale and Caroline Springs look to return to winning ways when they face off at Robert Bruce Oval,

*It was a tight tussle on Anzac Day down at Pennell Reserve, but it was Braybrook who eventually came up trumps.

Sanctuary Lakes will look for back to back wins when they play Tarneit and West Footscray will be pushing for a top two ladder position when they clash with Laverton.

ANSWERS

UMPIRES CORNER

Rules of the Game

No matter how long you have been involved in our great game, it is surprising how few people know the rules, or should I say, know all the rules well. Even those who have been following and attending football matches for a number of years still don't know or understand all the rules.

And this is seen at all levels, not just grassroots. For example one experienced commentator calling a recent AFL match was clearly surprised when the ball bounced off one of the field umpires and the play was allowed to continue. He also made mention that the same thing had happened the previous day in another game when the ball had made contact with a boundary umpire. On that occasion, play too was allowed to continue with any stoppage.

Yet what many people don't know is that Rule 12.1.3 in the AFL Laws of Australian Football says, "If the football touches an umpire or any official and does not pass over the goal or behind line, the football shall remain in play."

While this situation does not happen often, it is seen occasionally in all levels of football. One occasion when this occurred was in 2013 in an AFL match between Fremantle and Richmond. Late in the last quarter, Richmond was in the lead when a ball kicked by one of their players bounced into the goal umpire who was straddling the goal line with his back up against the goal post. The ball may have been going through for a goal or it may have hit the post, but instead hit the goal umpire. History shows that the ball stopped just short of the score line before being taken through for a behind by a defender. Not long after, Fremantle were able to score the winning goal to notch up a controversial one point win.

Interestingly, from that game, AFL goal umpires who

This WRFL umpire signals to all that it's play on.

Photo: Darrell Jones

were then instructed to straddle the line for a "perfect" view are now told that if there is a chance of being collected by the ball may stay slightly back from the scoring line.

Hopefully the umpires don't get in the way of some great football this weekend.

DIVISION ONE U18 REPORT

By *Johaán Forbes-Anthony*

Melbourne put on a cold and wintery morning for round three of the Division One under 18s competition, as Hoppers Crossing registered their second win of the season after toppling Spotswood in a low scoring affair at Hogans Road.

In somewhat windy conditions, goals were hard to come by as the game was predominantly played between the two 50m arcs in the first quarter. In what was a scrappy start to the game, the Warriors managed to kick two goals to one in the opening term to lead by five points.

Dominating possession and territory on the ground, the Warriors looked the better side coming out of the break, however failed to make it count on the scoreboard, kicking five behinds for the term. Despite being held goalless, Spotswood was still in with a sniff, just 16-points down at half time and well and truly in the match.

With the breeze in Spotswood's favour, the Woodsmen kicked two goals to one in the third to cut the margin back to nine points, making for a nail biting final term.

But the reigning premiers weren't done just yet, restricting the visitors to just three behinds to run out 6.11-47 to 3.7-25 winners.

Hoppers Crossing's Daniel Strnak continued his goal-scoring form kicking two of his team's six majors, while Nicholas Ryan showed some good form, judged best afield for the visitors.

Across all games on the weekend, inaccurate goal kicking stood out on the scoreboard however fortunately for some; it didn't cost them the win.

Altona's strong second half performance was enough to see them chalk up their second win of the season against a still winless Yarraville Seddon side,

running out 8.13-61 to 4.5-29 victors. The Vikings inaccuracy was the only thing that kept the winning margin to a respectable 32-points, with first year under 18 player Jesse Zammit kicking two goals and among the best for the Vikings.

In the third game of the weekend, Albion went down to Deer Park by 50-points with Lions captain Sohrob Ismail continuing his strong early season form, with a third straight best on ground performance.

Along with Ismail, teammate Joshua Schembri slotted four goals for his team in the 16.16-112 to 9.8-62 victory, while James Leach did what he could for his side, kicking three for the Cats.

Round four action will see a determined Spotswood and Albion outfit battle it out at McLean Reserve, while Hoppers Crossing will host Altona.

Ladder leaders Werribee Districts will be refreshed after the bye when they take on Yarraville Seddon Eagles, while Deer Park will enjoy the week off with the bye.

DIVISION TWO U18 PREVIEW

By Lavan Ruban

Caroline Springs move to fourth spot on the Division Two under 18s ladder this weekend, with a ten-point victory over Sanctuary Lakes.

In a low-scoring affair, both teams could only muster one goal apiece at the main break, despite the Lakers having nearly three times as many scoring shots than their opponents.

The final half was played in a similar fashion, with tight contested football seeing just three majors scored for the match.

With the Lakers' Zachary Inglis the sole multiple goal kicker with two goals, the Lakers were able to hold on to win the match. The final score 3.12 (30) to 2.8 (20).

When asked which aspect of the performance impressed him the most, Lakers coach Gus Leon expressed his approval of the team's efforts.

"It was our hard work out there actually...the effort was really good all day," Leon praised.

"A lot of the boys are new, and they've started to gel together as a team which is pleasing to see."

Joshua Faasoo's in-and-under style of play combined with Kane Maschewski's ball skills and footy smarts saw the pair named the Lakers' top two performers on field, for the second week running.

Elsewhere, Wyndhamvale has moved to third with a 134-point demolition of the West Footscray-Sunshine hybrid squad.

Falcon forwards Cameron Morrison and Stefan Kaa had a field day, booting five goals apiece, while the Roosters-

Kangaroos could only muster the one goal thanks to the accurate kicking of Jesse Zammit. The final score 20.20 (140) to 1.0 (6).

Werribee Districts and Newport remain the only undefeated teams in the competition. The Tigers sit atop the ladder after their 87-point crunching of Hoppers Crossing, while the Power just scraped through against a competitive Manor Lakes outfit by 30-points.

In Round Four, Sanctuary Lakes will be hoping to subdue a rampaging Newport squad at Bryan Martyn Oval, while Caroline Springs have an opportunity to make it three consecutive wins, when they face the in-form Wyndhamvale Falcons.

The still-winless West Footscray-Sunshine team will play Hoppers Crossing, while Manor Lakes host Werribee Districts.

THE POWER OF SPORT

Footys4all giving kids a sporting chance

For the Under 10s players at the Deer Park Football Club, it was just a regular Friday night training session.

Puffed out and rosy cheeked, coach Justine Curatolo called the group in at the end of training, where they were unaware that they would be leaving with their very own brand new football-something which a number of them had never had before.

With more than one third of the children's families classified as low income earners, Footys4all Director Michael Gallus was more than happy to lend a helping hand.

"I speak as a representative of thousands of volunteers who believe in providing hope and a sporting opportunity to disadvantaged, underprivileged or socially displaced children to ensure all children have the same sporting opportunities that we have been so lucky to have in our everyday lives."

Created over two years ago, the Footys4all Foundation is a not-for-profit organisation which aims at providing all children in need with sporting balls from different codes (basketball, tennis, rugby, AFL, soccer etc) with the hope that through the power of sport, children will feel like they can achieve anything.

Since its inception, the Foundation has distributed over 8,000 balls to disadvantaged children across Australia as well as internationally, reaching out to countries such as Cambodia, India, Africa, Fiji, New Zealand and East Timor.

Particularly in an era where football appears as more of a business model than a game, it can be difficult to comprehend the effect something as small as a new ball can have on a young child's life.

"The kids absolutely loved them," under 10s coach Justine Curatolo said.

"I bumped into one of the kids and his family at the local supermarket the next day and he had brought his football with him to the shops, which was really rewarding to see."

Relying on the help of public and corporate donations to remain in operation, the Footys4all Foundation Director knows all too well the power a football can have on a child, currently coaching the Under 10s Aberfeldie team in the Essendon District Football League.

"We set up this organisation because no one in the world is doing this, no one has tried to change kids' lives on a global level through sport...which is slowly but surely happening," Gallus said.

"I've seen the power of sport and that if someone cares

Footys4all Director Michael Gallus pictured with a few happy Deer Park Under 10s.

about you and gives you an opportunity, which we're trying to do throughout the power of a new ball, great things can happen."

Yet it is not simply the act of giving the footballs to the Under 10s players of Deer Park which was the most significant factor of this story, but the work behind the scenes which saw another WRFL club help raise the funds in which to do so.

Through the help of fellow junior club, the PEGS Junior Football Club, Footys4all was able to raise enough funds to purchase 400 new footballs, enough for Deer Park's Under 10s team and more.

"The support from the PEGS Junior Football Club really demonstrates the good that is out there in the world," Gallus said.

"We thank the 2013 PEGS Junior Football Club president Stephen O'Hare who along with 2014 president Mark Scathard saw the purchase of 400 Footys4all footballs which enabled the Foundation to distribute the balls to the children of Deer Park's under 10s team."

With the impact giving out a ball can have on a child fast gaining momentum, the Foundation is getting that much closer to reaching its goal of providing every child across the world with a ball.

"A simple \$10 donation or ball purchase enables us to get a new ball of any code to kids in need across not only Australia, but throughout the world.

"We're here to educate and teach people how to make the world a better place, and if we can do that through the delivery of balls to kids, then that's what we'll continue to do."
