As always, we have some parent coaches in teams that depend on whether their children make that team. In these instances a selection panel helps decide what team the child plays for.

When looking at this list it stands out the amount of former players who played for the Gold Coast at junior level, played state representative basketball, NBL/WNBL, college, Australian squad representation, European professional leagues that are included and have made the commitment to pass on their knowledge to our juniors. We also have a lot of returning coaches and have players representing the Gold Coast at QBL and SBL level helping out as well.

I appreciate their efforts and thank them for their support of Gold Coast basketball.

Rep trials are only a few weeks away, so get practicing kids!
