

Lion Cubs - Junior Development Program

In this regard a (4) week program has been developed to be run by squad coaches Jeff and Billy Feben to work on specific skill and technique development prior to VJBL try outs, which are scheduled in mid October (Please visit the BMBA WEBSITE or our Facebook page for specific try-out details) .This program will go up another level from the recent Domestic Player Improvement Program days that was recently completed in order to prepare children for drills and activities that they may be expected to do at a squad tryout.
