

CDNA TRAFFIC LIGHT PROGRAM

U9 AGE-GROUP

Chelsea & District NA "Traffic Light" program is designed to prepare U9 members for a smooth transition into the Under 11 Age-Group.

The teams (top age) that will be moving into Under 11's in 2015 will be highlighted on our weekly grid to make it known to the umpires each of the teams that it is applicable to.

Club Officials, Coaches and Parents we ask for your support with this program and look forward to a strong finish to the season.

Program as follows:

- This is a 6 Week Program
- 2 Weeks Green – Stepping, giving direction
- 2 Weeks Amber – Stepping, giving direction, obstruction, contact, 3 feet
- 2 Weeks Red – everything as per U11 age group | Round Robin in the last round.

Any further questions about the umpiring please contact Jo Scott CDNA Umpire Supervisor at an appropriate time.

Kind Regards,

Rachel Cox | Business Manager
