

Dear Club Presidents,

As you begin to organise your club for the 2015 season, we understand that many of you will be looking to replace your old Guernseys.

This email is a friendly reminder that your on-field apparel can only be purchased through one of the official apparel providers shown below.

These suppliers are the only suppliers licensed to put the AFL NSW/ACT logo onto club and on-field playing apparel. As per the By-Laws and Regulations all Guernseys worn by clubs must have the AFL NSW/ACT logo on the right breast.

Your club may use alternate suppliers to purchase off field apparel, however, the below suppliers are the only ones allowed to use the AFL NSW/ACT logo.

We are aware of some clubs who are not using one of our official suppliers. Any clubs found to not be utilising one of our official apparel suppliers will be deemed to have breached the by-laws and regulations and will be dealt with accordingly.

When adding a sponsors logo or changing your Guernsey design, we ask you seek approval from your relative League representatives.

The Official Suppliers give a lot back to Community Football so it is important we support them in this process.

Should you have any questions or queries in relation to the Official Apparel Suppliers, please contact your local League representative.
