## CDNA WET WEATHER & EXTREME

### WEATHER POLICY

- All teams required to report to the Sturdee St Courts at advertised times.
- Court fees for all teams are to be paid.
- The Association will make a decision by approximately one hour before if games are cancelled and notify the appointed team/club delegates. This will apply in cases of **extreme weather** example hail, lightning or other extreme weather conditions.
- Only **if** the Association cancels any or all scheduled games for the day then no court fees will be paid by any team, no premiership points will be allocated.
- Opposing teams have the option of agreeing to take 2 points each and must inform the Office of their decision 10 minutes before the scheduled time of their match, at which time court fees are to be paid by each team.
- If a match is cancelled after ½ time siren then the current score will stand. If the match is cancelled prior to ½ time siren each team will be awarded two premiership points.
- Due to split times scheduling, if more than half the matches in any one age-group are completed, and a cancellation occurs for the remainder of the day, the score then stands for those completed matches, and all other teams in that age-group will receive two premiership points each.
