Fees and Registration

Fees will be set by the committee each year. There will be a prescribed fee to enter both Winter and Spring Competitions

No player will be permitted to take the court to represent the club, be selected or placed in a club team or use any of the club's facilities unless:

- (a) All fees (including any arrears owing to the club) have been paid in full to the Treasurer or alternative payment arrangements approved by the Treasurer in advance have been made and complied with to the satisfaction of the Treasurer, and
- (b) A fully completed Player Registration Application in the form prescribed from time to time by the committee or the Player's Registrar has been completed by a person over the age of 18 years either:
 - (i) On their own behalf, if relating to an adult applying for his or her own player registration, or
 - (ii) By a parent or legal guardian of a minor applying for player registration for that child,

and returned to the Player's Registrar, or his or her representative,
and

- (c) The player and, where player is a minor, the player's parent or guardian, has provided proof of age (when registering with the club for the first time) and has agreed in writing to abide by the club's Policies and Codes of Conduct in force from time to time.

Teams will be selected based on the Club's Team Selection Policy.

Team and player registration is subject to the availability of players, coaches and umpires.

If numbers are insufficient to form teams, money will be refunded.

All players must have current NVM membership prior to taking the court as this is the only insurance cover for players.

Late Registrations and Payment of Fees

If fees are not paid by the close of registration day and a payment arrangement has not been made with the Treasurer, players will not be included in team submissions to LYVNA.

Players registering after teams have been submitted to LYVNA will only be placed in a team if a vacancy exists and only after full payment has been received/a payment arrangement made with and approved by the Treasurer.

The Committee reserves the right to place players who register late in a lower grade than they may be used to playing if this is the only team which has a vacancy or in the case of a place not being available to offer the player a position on the waitlist or a refund of any fees paid.
