Code of Conduct Guidelines and Disciplinary Procedures

The League Code of Conduct (“Code of Conduct”) is in place to assist in ensuring the safety and enjoyment of all players, officials and supporters in particular it relates to their conduct and behaviour. Clubs are required to ensure that all members receive a copy of the Code of Conduct.

1. Guidelines

1.1 The Code of Conduct shall not conflict in any way with the rules governing “Reportable Offences” (19.2 of Laws of Australian Football), The League Order-Off Rule (By-Law 22.0)” or “Citations (By-Law 24.8)”. On-field offences shall be solely governed as such. A charge made for a reportable offence will take priority over a reported breach of the Code of Conduct (in the same incident). As such, an individual may not be penalised under the Tribunal/Prescribed Penalty system and the Code of Conduct, it must be one system or the other.

1.2 Any player, official or supporter bringing a club into disrepute, irrespective of the cause, shall be entitled to one warning for what would be considered a ‘Level 1’ breach. Further such indiscretions or a more serious violation that warrants a stronger response or remedy commensurate with the seriousness of the breach of the Code of Conduct shall be dealt with in the following manner:

A ‘complaint’ may be made by:

1.2.1 An authorised club official on behalf of the club and any of its members

1.2.2 The Administration Committee directly

1.2.3 Officiating umpires (on Umpire Match Report Form)

1.3 All complaints shall be referred to the Administration Committee. Complaints directly to the League will be accepted within three business days of an alleged indiscretion.

1.4 Any breach reported will be initially assessed by the Administration Committee. Where the Administration Committee is of the opinion that a person may have committed a Code of Conduct breach, whether on the basis of an investigation, video evidence or otherwise, the Administration Committee may impose a Level 1 breach; or refer the matter to the Conduct Committee for hearing and determination. The Administration Committee may also dismiss a complaint or dismiss a complaint and determine it to be frivolous.

1.5 Should the Administration Committee or Conduct Committee determine a complaint made by a club or club official to be frivolous, a fee of \$100 will be imposed upon that club.

1.6 Individuals and Clubs will be notified via their Club President in writing of any case to answer and the time and date of a convened hearing. Those requested to attend a convened hearing into the matter are compelled to attend or have a representative attend in their place.

1.7 The following is indicative of the form of response that may occur:

Breach	Description	Remedy	Referred
Level 1	Minor Indiscretion	Individuals name recorded; counselling, mediation or apology if appropriate; official warning	Usually Not
Level 2	More serious infraction or repetition (within 3 years)	Suspended sentence or loss of membership rights; possibly the assigning of the individual to a mentor program by the League; counselling, mediation or apology as necessary; suspended fine for club	Yes
Level 3	Serious Infraction or 'third strike' (third Level 1 or second Level 2 within 3 years)	Any of the above; OR potential suspension or removal of membership rights of an individual; fines and/or loss of competition points to a club/team	Yes

1.8 Indiscretions may be accounted for partly by an individual and partly by the club in which they are related to. As such penalties may potentially be apportioned to either an individual or club or shared. Clubs may be held partially responsible for the conduct of members and non-member supporters.

Promoting the Code of Conduct

1.9 All members must be given a copy of the Code of Conduct.

1.9.1 All players must be given a copy and sign (via registration form)

1.9.2 All coaches must be given a copy and sign (re-registration required each year)

1.9.3 All officials must be given a copy and sign the block 'Club Officials Code of Conduct Form' each year. Form should be submitted before Round 1. Those who cite and sign the form are to include committee, runners, team managers, match day officials and any other recognised support persons.

1.9.4 A copy must be available on each Club's website

1.9.5 A copy must be in a prominent position in the following locations: on canteen wall, in front of canteen; in the home and visitors change rooms; and at entrances to public toilets.

1.2 When a player transfers to another club within AFL Canberra or an Affiliated League in accordance with these Rules, that club shall pay to the player's former club such amount as per agreement with the player previous club, provided that amount shall not exceed the maximum levy set in accordance with these Rules.

- The original club must notify the transferring club in writing of their intent to request the development compensation levy

A player wishing to transfer from one AFL Canberra Club to another within the League or Affiliated Leagues would command a Development Levy based on the length of service to his/her original club. The development level may be up to \$4000, all Development Levy's are GST inclusive.

The spirit of this by-law is that amount is to be negotiated between the two clubs. It is important to acknowledge a player's past experience and the 'value' this may demand, examples of this may include:

- Junior Player – up to \$600
- Junior player with Representative/talent experience - up to \$600
- Has played 1st grade football - up to \$2000
- 100+ 1st grade games - up to \$3000
- 200+ 1st grade games - up to \$4000

1.5 If clubs are unable to come to an agreement on the final amount, the AFL Canberra Administration committee will determine the levy payable

Notes

A player transferring back to AFL Canberra after a period of 24 months has elapsed (from the time of his initial clearance interstate) is eligible to play with the club of his/her choice.

A player who transfers from an AFL Canberra club to a club in another competition, upon transferring back to AFL Canberra within a period of 24 months must transfer back to the club he/she left or obtain a domestic clearance from that club to the club he/she wishes to join. Development Levy's would apply if within the 24 months less the discounts mentioned in the next paragraph.

For a player who has missed a season of football in AFL Canberra (for any reason) their clearance will be 25% cheaper than 'retail' rate. For every year of missed football in AFL Canberra there is a further 25% discount.

Spirit of the By-Law

This By-Law was en-acted to acknowledge the 'development' work a club may have put into a player who for what ever reason decides, after a five (5) year 'registration' period with his/her club, to transfer to another club within AFL Canberra or an Affiliated League.

Considerations:

Acceptable exemptions to the payment of the Levy would be under a Father and Son arrangement or a Family residential relocation (i.e. moving from Tuggeranong to Gungahlin or Belconnen to Googong) or for Educational purposes (i.e. Pambula to Erindale College or ANU)

The Transferee club is under NO obligation to request the Levy.
