EVERTON WOLVES JUNIOR AUSTRALIAN FOOTBALL CLUB

4th May 2016

A VIEW FROM THE SIDELINES

Friday Night Footy came to the Wolves Den last week and what a night it was. Our Under 13's played a fantastic game in the rain to only go down by one point against a quality opposition.

On the subject of wet weather football the answer is YES we do play in the rain and it can get very heavy, so if you think it is going to rain bring your umbrella, rain coat and some gumboots because the game will be played. Only in extreme weather conditions will games be cancelled and this is normally a decision made by the Ground Marshall when there is thunder, lightning or hail about.

In extreme weather conditions grounds may also be closed by councils or clubs but you will be notified via email when this happens.

Saturday morning saw us host our first 4 games at once for the season and it was great to see the ground at capacity. Lots of happy smiling faces are what we like to see, and the sun did come out for the crowd eventually. Our Canteen was a popular location and I must say the Chili Chicken Wraps are delicious.

Sunday morning had our Under 15's out of bed early for a 9am game at the home of the South East Suns where they took on the Beenleigh Buffalos. This was always going to be a tough grading match after last weekend's bye, but our Under 15's played with great determination and walk away with a 13 point win. The team has welcomed 5 new players this season and there is still room for a few more. If

you know any 14 or 15 year olds who would like to play please get them to come along to training.

The football fun just didn't want to end on our long weekend and on Sunday 20 of our Under 10's played a Little League Match at the Gabba. This was a fantastic opportunity for our players and they did not disappoint. The showers cleared at half time and the crowd was mesmerized by how well our Wolves behaved and how well they played. This is the way of the Wolf.

See you all next week and GO WOLVES!

MATCH REPORTS

U10 Blue v The Gap

An overcast day greeted our opposition from across the mountain. Showers sprayed the ground with a good dose of rain. We could have been in Melbourne, except for the 29 degrees and the high humidity.

This week we tried a different style of warm up. It involved different skills and required players making footy decisions almost immediately.

Amelia led the team out to the centre. Got our midfielders organised and we all eagerly awaited the bounce.

The first quarter was very hard fought. Only two scoring shots, one for each team was made. Both teams had attacking forward thrusts that were held by their respective backs. I was very happy with the effort and commitment put in by the team for this quarter.

The second quarter was a little more free flowing. I messed up my team set up – but went ahead with the plan anyway. Nathan and Christopher played strong football, and together with Charles and Mitchell, running fast beside them this group were very attacking forwards.

The strength from the centres Alan, Billy, Amelia and Alex, was able to keep the ball in the forward zone. The early trip by the opposition into their forward zone was strongly defended and repulsed by our defenders Karl, Georgia, Max and Aidan. This quarter was even better than the first. Players had kept their first quarter intensity and probably played a better quarter with it.

The third quarter was our most difficult quarter. The Dragons had regrouped and were disposing the ball with greater accuracy and frequency. Our players did not give up in our most difficult quarter. They continued to chase and harry the opposition. The ball did go from one end of the

field to the other and a number of goals were scored.

In the fourth quarter the wolves got back in the “football” groove. A few more goals were scored by each team, including a great one by new comer Aidan. Today he had lots of mates who also scored some great goals.

Thank you to Amelia – good job as captain today. Player of the match today was Charles. Great work around the packs, good running, great goal and excellent all round play. Special mentions to the rest of the team for their A grade effort on the field today.

It was also good to see a number of players directing play for their team mates.

Excellent job today by all. Thank you parents and coaching staff for making the game so much easier.

Coach Nick Elsey

U10 Wolves in the Lions Den

Sunday morning the 1st of May was heavily overcast with plenty of showers. The temperature about 29 degrees and humid.

We gathered our gear and headed off to the Gabba with some trepidation. Wet days are notorious for not letting people on the ground.

The unasked query to the coordinator was answered by “there is a good chance of getting out there if the weather does not get any worse.”

Our spirits rose considerably.

Deep in the bowels of the Gabba the Wolves and Vikings got dressed for battle. We dressed as Lions and they as Swans.

Last minute instructions were that :

- we had to run a continuously revolving sub bench
- no tackling
- everybody had to get a touch
- no tackling
- everybody had to have fun
- no tackling

Finally, out in the sunlight, the Wolves and Vikings ran out onto the ground to a great roar from the 14,000 plus supporters.

The ball was moved at a frenetic pace. Quick kicks, handballs, ruck contests, goals, points, free kicks –

the game had everything a normal game would have. The game was over in a blur. Everyone would go home with their own special memories. Quick snap goal. Excellent mark. Very loooooong kick and fast hand passes. Karl also had a nice black eye – it was shining up nicely.

Football was the winner on the day, and so were we as we got to play on the Gabba in front of 14,000 fans.

Oh, the real Lions got within 3pts of the Swans. An excellent effort.

Nick

U13 Grading Game 3 - Coorparoo

We had our first home Friday night game against Coorparoo and the team got off to another good start with strong defensive pressure and positive ball movement.

Korbin attacked fearlessly in the forward line with Alyssa working to get the ball and Cameron everywhere, running and tackling hard to win the ball. Will E was a big presence, running hard around the ground and marking strongly to kick our first goal. Coorparoo managed a goal as well and went to the break up by 2 points.

Quarter 2 saw the Roos flood a lot but we continued attack positively. Ethan was a great target all game at half forward, linking regularly with Ryan who marked well to kick our second goal. Luke had a strong game with good tackle pressure and partnered well with Tom to provide a solid defence. Jacob worked hard on the ball, regularly coming out of packs with the ball and Jahil provided the highlight of the quarter with a fantastic tackle on a player twice his size to win a free kick. The Roos managed 2 goals though and we were down by 9.

The heavens opened for the third quarter, making it difficult for footy but the team adjusted well. Stuart was involved heavily in play and was able to save a goal, winning the ball against three opponents. Atticus stepped up, reducing the impact of their running full back through good

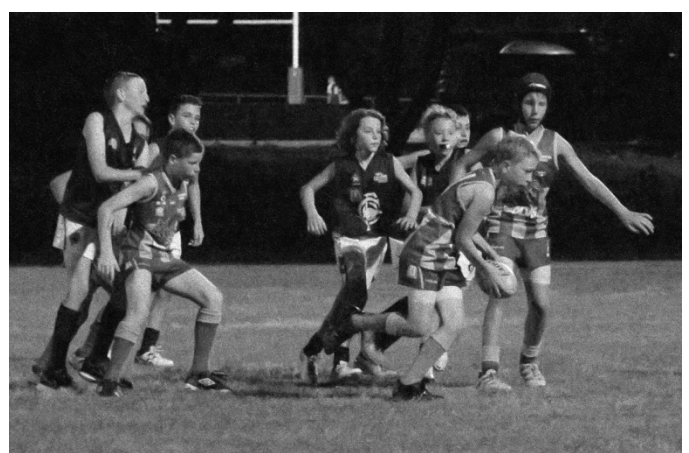

forward play and James M took a number of strong marks in the wet conditions. Doug working through a cork in the leg, continued to pressure and force turnovers while James A put his body on the line to win contested ball. There were no goals for the quarter so we went to the final change still down.

The last quarter was tight but the team continued to work hard. Will C provided some good run off the wing and Grace's tackle and second and third efforts were important to win possession. Duncan showed great resolve to run down an opponent when they rebounded and Sam had run all game, benefited from our forward pressure to kick a goal and get us within a few points of the lead.

Rhys was able to run onto a loose ball and kick a trademark running goal to give us the lead with less than 5 minutes to go but the Roos won a critical contested ball in the centre that allowed them to kick a goal and regain the lead which they held for the rest of the game.

The team was pretty disappointed about the result but they should be proud of the effort as everyone played the best game for the year. Stuart was our best for the game with a number of possessions and strong tackling.

U15 Grading Round 3 - Beenleigh

After a well earned week off with a BYE last weekend, the Wolves returned to the paddock this week keen to take on the best from Beenleigh. It was an early morning trek across town in the persistent rain to Logan Central (Tanah Merah), where we arrived to find the ground in good nick, despite the prevailing weather conditions. Thankfully it wasn't cold and windy as well, just wet.

It's always enjoyable watching the lads run around in the wet conditions, chasing a ball that is slippery as a cake of soap and heavy as a bag of bricks. And this game was no exception, a good hard entertaining slog played in good spirits from start to finish.

We had three new debutants in the Wolves jerseys this week, swelling our playing group to 19. A big warm welcome was extended to Brayden, Cory and Khai respectively as they were presented their jersey's prior to running out onto the ground.

Beenleigh came out firing from the first bounce, and were the first to make the scoreboard attendants earn their keep, kicking the first goal of the game at around the 5 minute mark. From there the Wolves managed to peg them back slowly with lots of run and hard work and at quarter time we managed to hold a very slender lead.

The Wolves took control of the game in the second and third quarters, piling on three goals and a stack of behinds to hold a comfortable four goal lead going into the final term. Beenleigh managed to strike back early into the last quarter, with two quick goals in succession, but the Wolves held their own with better ball control and team work to finish with a very nice and well earned 13 point win.

It was a fantastic follow on from the Jindalee game in round 1, with a solid team effort all over the ground. The boys are playing well together and are being led equally as well on the field by those more experienced (and vocal) team mates. During last week we paid particular attention at training to not letting the opposition take easy uncontested marks, and the boys assimilated this particularly well on the weekend, and that makes the coach a happy coach.

This week we head over to Zillmere to take on our mates from Wilston Grange in what is looming as an epic encounter. The game is 3:00PM Sunday at O'Callaghan Park, Zillmere. If you can get along and cheer on the Wolves you won't be disappointed. Once again thanks to all those that helped out on the day with the various duties and tasks, and a big thanks to everyone involved in getting everything done in quick time to enable our new lads to take the field this week....awesome stuff, and very much appreciated by all.
