

BRAEDAN (3 v 3) TOURNAMENT

FUNDRAISER TEAM REGISTRATION

It has come to the attention of the BMBA that one of our beloved members of our association has been diagnosed with Hodgkin Lymphoma, a rare form of blood cancer. This is an extremely unfortunate occurrence, and especially so for Braedan and those closest to him.

As we are all connected as a basketball club and as wide community, the BMBA has organised a 3v3 basketball tournament in order to raise funds for what will be a very expensive and traumatic few months for Braedan. We as an association aim to promote team and community unison through all Pride members, far and wide, in a day in which will be jam-packed with fun and entertainment.

Scheduled for **Sunday the 10th of July, 2016**, with an entire day of basketball and fun stuff including:

- **3v3 Tournament**
- **Music**
- **BBQ**
- **Prizes**
- **Raffles and MUCH MORE...**

Prices for each age group are as follows: U14: **\$40** U16/18: **\$50** OPEN AGE: **\$70**

As we are attempting to raise funds for a young man so close to the association's hearts, we now turn to you. Please, everyone come together and get involved in making Braedan's 3 v 3 day a special one, to assist him in getting enjoyment out of every moment of his life, and most of all to let him know that we as a community are totally with him on this journey.
