BIG V

Round 15 Wrap (Div 1 Mens) Melton stormed home to beat Shepparton 86-71 to open the round's action. The visitors rode Ivan Harris (32pts 5reb) to victory, with the star man being completely dominant in a masterful performance

(YLM2) After last week, we were not expecting the Breakers to drop another game for the rest of the season. But then, after Sunday's game, they are now sitting with 2 of them. Backing up after a Saturday game, they travelled across the Melton territory where they shocked everyone with an 11 point loss. Credit must go to the Thoroughbreds who also came off a Saturday game. The other part to this game that is even more shocking is that the Breakers were outdone throughout the whole game. The Thoroughbreds dropped big numbers in both the 1st and 2nd quarters to lead by 15 at the half and even though the Breakers culled this back to 2 in the 3rd, the Thoroughbreds put the foot down in the 4th to keep the win in their hands. Panashe Dzimati had 15 points, 3 assists and 2 steals. Zach Smith did what he could with 25 and 14

Another team that split their weekend was the Thoroughbreds, going down to the Gulls by 9 on the Saturday. This was a win the Gulls desperately needed as they now move up into 7th for a chance to move into the 6 over the next two weeks. And if they can keep putting together games like this, there is no stopping them. They led comfortably from the beginning, opening the margin at each turn. The Thoroughbreds made a last stitch effort in the 4th but only managing a shorter loss. Brad Murfett led the way with 35 and 18. Panasha Dzimati had a great weekend with 25
