EVERTON WOLVES JUNIOR AUSTRALIAN FOOTBALL CLUB

10th August 2016

A VIEW FROM THE SIDELINES

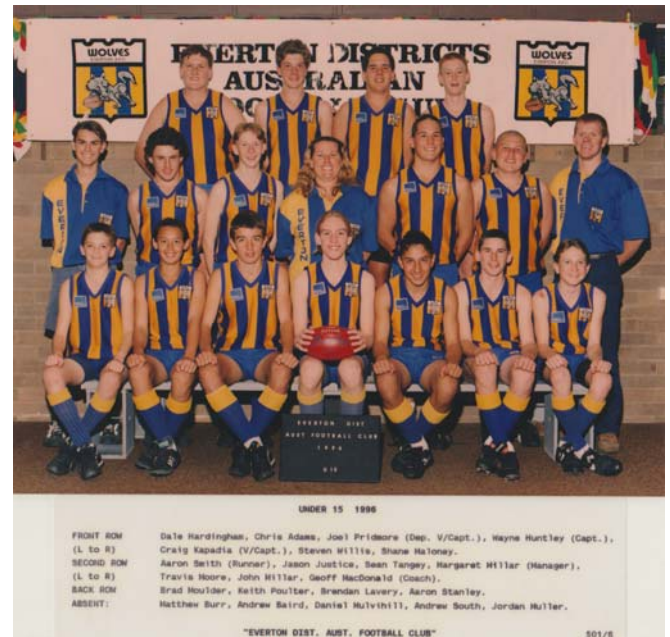

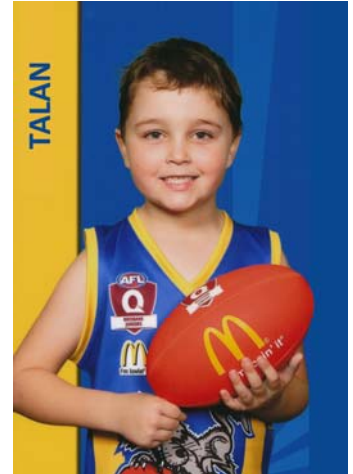

Congratulations James Brennan on playing your 100th Game of Footy on Friday night. James first started his career at the Gap Dragons before making the move to the Wolves in 2012 as an Under 11. He has been a very important member of our current U15 team ever since. The records show since starting youth football he averages 16 games per season which means he virtually never misses a game.

Congratulations James and Thank you

Talan Kapadia has also celebrated his 50th game recently. He plays in the U8 Blue team and is following in his dad's footsteps. See if you can pick his dad out of the 1996 Under 15 team photo.

Well Done Talan

MATCH REPORTS

U8 Gold (round 14 – 6 August 2016)

This week we returned to Brendale to take on Aspley Gold. It was an early start and we took some time to adjust to the game. We were also short a couple of regulars in Campbell and Jye who were both unavailable. It was Gabe's birthday and so he was rewarded with leading the team out as captain.

Unfortunately after playing our best game last week we fell backwards this week, or at least initially and as a result the Hornets took full advantage. There were times during the game where the ball resided permanently in the Aspley forward half. To the boys credit they certainly picked things up, especially after half time and made a game out of it, led in particularly by Julian who played one of his best games for the year. Gabe was trying his best to fulfil the duties as captain and lead by example and all the other Wolves started to pick up their games. Whilst the Hornets dominated periods of play, so too did the Wolves, so in the end it was quite an even contest.

HAPPY BIRTHDAY GABE

U10 Blue Round 13 – Wilston Grange

Once again Player of the Week could have gone to a number of Wolves players but after exhausting our award reserves last week, we had to limit it to a few performances:

- Julian was the initial catalyst for turning things around after a slow start and was quick to take on the Coach's instructions to run and bounce to transfer play from one zone to the next;
- Jai for presenting as a forward target resulting in at least two goals and his overall willingness to get involved in the play; and
- Lucas for his run and carry which resulted in several forward forays for the Wolves.

Next week's game is our 2nd last for the year and and we take on Wilston Grange Silver at home at 10am. See you all at training on Thursday.

U11 Girls Round 14 – Sandgate Grey

A beautiful Friday night saw Everton host the Under 11 Girls round and with 6 teams, parking was at a premium. Being the host team we were able to take the back oval all to ourselves and our opponents, the newest team Sandgate Grey. This team only had 7 so, having 11, we were able to provide 2 for them so everyone would get a full game. Having been in this position not so long ago, it was strange to be the team with excess players.

Nicole was our Captain for the night and did a really good job. She got a lot of the ball, chased hard and did her best all night.

The game overall was really good with all girls getting good touches and running with the ball. Eliza had a shot on goal in the first quarter and got a lot of the ball which was great to see.

In the final quarter Georgia playing as fullback got the ball a number of times and had a run and got a kick away. I was really proud of how she went.

Kaitlyn and Neeve both played really well and I liked how they slipped back to the middle of the field to be in the best place to collect the kicks going over the other girls heads.

Nicole got the ball a number of times and looks good in the forward line.

We had some good marks, notably Jess, Chloe, Mia and Neeve, and some great kicks to players that really bodes well for the team and trying to get the running game going.

The tackling continues to be our strength but our other skills have been building and the girls are seeing from the other teams, the options of what they could try themselves.

While this week will be a harder game, I am really encouraged by how the girls are developing and seeing what they can put together especially considering half of them will be in Under 13's next year.

Go Wolves

U13 Round 15 – Beenleigh

This week's game was against Beenleigh, a team we beat in grading, but with numbers down and recent form, we expected they would be tough.

From the first bounce you could see they were a strong team and we were in for a tough day. Kyah, filling in for us again had a strong game, contesting hard for the ball to give us forward movements and Andrew worked hard in the pocket with 2nd and 3rd efforts to give us a scoring chance. Our defence worked hard with Luke getting his head over the ball, Will leading the game for tackles and James A forcing a turnover with his chase down effort.

The second quarter saw similar as we struggled to stop their run and ball use. Grace tried hard through the mid field to win the ball and Korbin provided run to make leads as we looked to bring the ball down. Tom was unwell but contested defensively to make them earn their shots and Atticus presented across half forward but we were only able to slow their scoring a little.

We came out a bit harder in the third contesting better for the ball. Doug was switched to defensive and provided great spoiling and tackle pressure. Alyssa laid a strong bump that brought the supporters to their feet and James M while under sized continued to contest the loose ball in defence.

The last quarter we looked to show some resolve and it started well as Cameron found a bit in the ruck to win some taps and Ethan, who had worked hard all game across midfield, was able to win the clearance. Jahli capped off a great attacking game with a strong contested mark that set up Rhys for our first goal. Sam took a great pack mark to kick our second and was unlucky not to get another goal when the bounce didn't go our way.

With the final result in excess of 100 points, it was obvious the Beenleigh team we played this week had little resemblance with the team we played in grading. Still the team tried hard but with the low numbers were unable to keep pace with the well drilled Buffalos. James A had a good game with his defensive work and Will for his tackle efforts but Jahli was our best for the game with his work in packs and tackling to win the ball.
