The 2016 season saw over 4000 boys and girls participate across 23 divisions, from Under 8's through to U18 girls and with 13 clubs represented in this year's FDJFL final series, and one of our clubs in the SEJ U13 girls finals, we are set for an exciting four weeks.

The League has undergone a significant change this season, with the adoption of new Governance Structure and increased administration support from AFL South East; there is now a solid foundation for sustainability and growth across the competition.

FDJFL now is better positioned to facilitate growth across both female and male participation beyond 2016 and provide strong pathways through to local senior football clubs. The revamped Development program managed by Syked for Sport delivered a professional program which was well received by all involved.

Our Corporate Partners play a massive role in ensuring FDJFL can continue to service our clubs. We are grateful to our Platinum Partner in the Bank of Queensland Frankston and major partners in, Bayside Automotive, Heatstrip, Totally Workwear & 1116 SEN for

their ongoing support of junior and youth football in this region.

Congratulations to all of the Finals Umpires on their appointments today and on the terrific season. Like players, umpires strive to achieve their best every season and to be appointed to a final is as good as playing in final. We ask that all players, officials and spectators respect the role of the umpire. Yelling abuse at umpires will not be tolerated at any FDJFL game.

We thank Langwarrin Junior FC for presenting a terrific facility for FDJFL finals over the next four weeks.

Finally, on behalf of the Committee of Management and Administration team, we wish everyone an enjoyable finals series, and we look forward to your support in 2017.

Shaun Connell  
AFL South East Leagues Manager
