## FROM THE PRESIDENT...

Wow, how quick has the season gone. This weekend is the last weekend of footy for season 2017.

We had 8 teams playing in Grand Finals or Prelim finals last weekend. Congratulations to all that had the privilege to experience finals. Whether you won or lost, the experience you have gained and the bond you have made with your mates will last forever.

Congratulations to our U12's who won back to back grand finals to become premiers of SMJFL U12 Division 3 in 2016. As many would know it is very hard to make finals and win the grand final but to do it twice is a fantastic achievement. U12's finished 4th on the home and away season ladder, they then beat the top team to earn their spot in the grand final, but they were not done yet, they had more to prove. My understanding was that they played their best game for the whole season where every player contributed and as a result "Premiers 2016". Well done to Nick Thompson, all his support staff, families that help out each week and all the players that gave their 110%.

This week we have 2 teams playing Grand Finals. Please get there to support them in their quest for Grand Final Victory.

- Waverley Park Hawks U15G Division 4 V's Beaumaris – 8.45am – Trevor Barker Oval
- Waverley Park Hawks U16G Division 1 V's St Kilda City – 2.20pm – Mentone Grammar Oval 1.

Good luck to all involved. Play within the spirit of the game and enjoy the time with your mates.

Thank-you to all the committee members and everyone that stuck around to help out with the after match.

**17 Sept – Winery Tour** – This is a first time event at WPH. Get behind it, promises to be a great day. Any questions please contact Fiona Froelich or Michelle McCluskey.

**18 Sept – Presentation Day** – A lot of work goes on behind the scenes to make this day possible. With BBQ's, rides and presentation, it is a huge day for everyone involved. We have changed the format a little to hopefully wrap it all up earlier by having an extra marquee. This does come at a cost, so please find the time to come down, and get involved. Join in presentations, and please help out. Roster will follow. We continually see the same faces helping out, would be great seeing new faces. Everyone that helps out does it not only for their children, but yours as well. Remember this is a family club for everyone, many hands make light work. If I haven't had the pleasure to meet you yet, please say g'day.

**1 Nov** –Registration opens for season 2017 on November 1. Whether you are a returning player, a new sibling to the club or a new player all together take advantage of the discounted "EARLY BIRD FEES", that are offered.

**Committee 2017** – Club has been blessed with committee members over the past years, always positive and doing what we all do for the kids. If you would like to become a committee member and be part of an exciting Junior Football Club, please let myself or any member of the committee know. No matter how much or little time you have, there is always something to do. There are also tasks that we require help with that don't require you to be on the committee.

President

### AAV Tiling Under 11 Gold

**Waverley Park Hawks 4.2.26 defeated by AJAX 6.1.37**

**Goal Kickers:** Jacob S, Harper V, Nick D, Peter D

**Best Players:** Harper V, Shilo H, Peter D, Cam F, Max A, Dan K, Mitch W and great team effort

We travelled to the larger grounds of Mentone Grammar to take on AJAX in the GF. The boys played superbly last week to knock off first and we had AJAX in our sites after improving against them during the year. We needed to start well and unfortunately it didn't happen as AJAX put on 3.1 to nothing for the first quarter. This was despite the best defensive efforts of Max, Harper, Dan and Thomas. We regrouped at the break and came out with a greater hunger for the football. We started to win some contests with Pat and Brody getting a clearance and found Evan and onto Harry for a much needed forward entry to give our backs a rest. Brady E was working hard in the forward line and earned a free kick and found Harry and onto Evan who got a quick kick forward and found Jacob. He took a strong mark and went back and calmly slotted our first major to get us on the scoreboard. We felt like we were firmly in the contest now even though we hadn't pegged back any deficit at the long break: 4.1 to 1.0.

The boys came out fired up for the third quarter and Cam started to take some great marks at half back and drive the ball long. Josh was getting his hands on the ball in the midfield and Shilo and Peter continued their fine games. The mids were working overtime and Harper was rucking superbly and found space in the forward line and slotted a nice goal on the run. Brady P was busy in the forward line and his snap just went wide but he marked the kick in and found Nick for a nice goal and we were back within one kick. The pace was frenetic and we searched for an equalising goal but our opponents moved the ball forward and found a steadier just before the siren. The young Hawks fought the game out and gave it their all in the last but couldn't overcome the deficit. Mitch and Evan worked tirelessly in the midfield while Peter snapped through a nice goal on the run to give us some hope as we ran out of time. We were beaten by a better side on the day but the boys should be extremely proud of the way they fought back and played the game right out and with their great sportsmanship in defeat. They should also be proud of the season and the improvement that was made during the year.

### Under 12

**Waverley Park Hawks 5.5.35 defeated Murrumbidgee 3.3.21**

**Best players:** Not touching that one

**Umpires Award for BOG:** Tommy Warner

Well...where on earth does one begin to try and describe a day like we all had on Sunday. First things first, absolutely no chance I am mentioning individuals in this one. An outstanding team performance with contributions from all over the ground.

After playing out of our skins to get over the extremely slick Bentleigh outfit in the semi final I spent the weeknights tossing and turning about how we would possibly follow up that performance. But why oh why would I have ever doubted the reserves of this outstanding group of young lads.

We started the game into a heavy wind which would later prove to be a blessing in disguise, however made the task for the first quarter a mighty one.

They boys were on from the first bounce creating 4 or 5 quick opportunities. While only converting the one goal I certainly felt like we were well on top and as long as the effort continued then we would have Murrumbeena's measure.

The second quarter continued in much the same way as the first with our players smothering the opposition every time they got the ball and maintaining control of the play. A couple of goals to an unlikely hero meant that we had a strong 2 goal buffer going into half time in a low scoring and dour encounter.

As though they needed to build the suspense and have one last nail biter to finish off the season, the boys lost their way a bit in the opening stages of the third quarter and let Murrumbeena right back into the game. With a couple of early goals all of sudden the scores were level and we had a real contest on our hands. We re-grouped about half way through the quarter and managed to stop the run that Murrumbeena were on and we came into the ¾ time huddle all tied up at 3.3 -21 apiece.

With the strong wind now about to assist us in the last quarter we had a good hard and honest chat in the huddle about getting back on track. I reminded the boys of their history of pulling a rabbit out of a hat and put it on them to deliver the same magic trick one last time for the year. Ask for something from these boys and you best expect a strong response and that is exactly what we got. The pressure gauge flew right back up from the moment the ball was bounced and did not relent until the blissful sound of the final siren. The ball barely went into our defensive half for the entire quarter as we put through two goals to bring the premiership cup back to Columbia Park for the second year running.

What an amazing day for all involved and in particular the 24 young warriors who once again did themselves, their families and their club so so proud.

GO HAWKS!!

### **Under 13 Brown**

**Waverley Park Hawks 5.5.35 def by East Brighton 6.7.43**

**Goal Kickers:** Gaudion 2, Tan Son, Plaza, Buzza

**Best Players:** Skandalis, Boyle, Kolak, Plaza, Cassar

U13 Brown found themselves in a Grand Final after a very competitive and successful home and away season. Looking back, it seemed one of those games that things didn't go our way. Nerves were everywhere early and a few boys had been sick in the last few days. Jake and Spiros again led us out as captains and we were prepared for a big effort and a chance at finals glory. First bounce and Luke aggravated his shin that was injured last week and we had to shuffle the team around as Brighton got away early and at half time we had only kicked 1 goal through Anthony (his first goal for the year) and Brighton had 4.

We were in the game but we just had to convert that on the scoreboard. Spiros was great in the packs and around the ground, Kolak was standing tall in the backline and Anthony and Josh B were sharing the ruck duties and giving us options around the ground. Luke went to full forward to be that marking option and it paid off with 2 goals and East Brighton became worried about his influence down there. When Spiros marked and gave hands off to Ethan for a goal we went into 3 quarter time 2 points down. Unfortunately, we also went in minus Anthony, who after some great defensive work, was tackled and fell breaking his wrist.

We were up against it but had put ourselves in the game which gave us every chance. An early goal in the last from Brighton didn't stop us. The boys kept fighting and the determination and commitment showed out. We put the ball up again to Luke, it spilled to ground and Buzz snagged a goal, 2 points again. The pressure was intense and the backline was working hard with Cayden, Deakin, Noah and Hazza holding the ball up well and Flynn, Wes, Spiros and Ethan running the ball through the middle. We had some chances in the last but pressure, decision making and lack of rotations hurt us. In the end Brighton scored a goal near the siren to win by 8 points.

A fantastic performance from the team and we are very proud of their efforts. A great experience and one I hope the boys can learn from.

We have shown we are competitive in the top division of U13s and can play some really good football. We just need to work on our structure, set ups and if the boys stay together they will be a force for years to come.

Enjoy! Go Hawks!

### **Under 15 Girls**

**Waverley Park Hawks 1.3.9 defeated by Bentleigh 5.10.40**

**Goal Kickers:** Laura Perisi

After a sensational effort in defeating Beaumaris last week, the Under 15 Girls suited up for a big Preliminary Final against Bentleigh.

On a rare dry day with a ground in great condition, our Girls started well and had a few shots on goal, without bagging a major until quite late in the quarter. Unfortunately, Bentleigh managed one up the hill and into a breeze to pretty much level the score. Whilst we had much of the play for that first quarter and applied ourselves to the contest fantastically, it was clear that Bentleigh relied on one or two quite well developed girls who had lots of footy experience behind them, coupled with consistent physicality. Our girls were not shirking any contest though and took it right up to the Bentleigh girls.

We managed to keep them in check up until half time, when there was barely a goal between the two teams. Whilst we again had a significant amount of the play and therefore, possession, Bentleigh were better able to capitalise on their forward moves. We had some great efforts across all areas of the

ground and our girls tried their collective hearts out, but in the end, it appeared our girls had hit a bit of a wall by the time the three quarter time siren had sounded. To their credit though, our girls took the best the opposition could give and gave it back in spades.

From purely an observation angle, it was evident that the Hawks batted a bit deeper than the opposition and we had a better actual team across the lines. But a couple of key play makers for the Bentleigh outfit caught a couple of breaks at the right time and made the difference in the end. Our girls, as they have done for the whole season, fought it out to the bitter end and not only made all of their Families, the Coaching Staff and Supporters very proud to be associated with the Girls, but hopefully have engendered a degree of confidence in themselves that they can continue their great work into next year.

The Girls finished the Home and Away season shaping the finals make up, halted another teams finals hopes in the first week and would have had the remaining two teams glad they weren't playing us in the Grand Final, I am sure.

Making a Preliminary Final from where we were as a team mid season, was a truly amazing effort and one of which the Girls themselves should be immensely proud.

Great work Girls!

### **JB Commercial Under 15 Gold**

**Waverley Park Hawks 19.22.136 def South Melbourne 0.0.0**

**Goal Kickers:** Beck 5, Durant 3, Hogan 2, Wensley 2, Jackson 2, Kreidl, Kokkinias, Fraser, Noble, Pond

**Best Players:** Whole Team Effort!

**Coaches Award:** Mitch Moore

We turned up to our preliminary final full of confidence having not lost to SMD all year but no one expected the game to turn out like it did! The coaches challenged the boys to be ruthless in the way we played and to come out in the first quarter and dominate, and the boys responded piling on 5 goals and keeping SMD scoreless. The second quarter slowed down a bit and SMD wrestled some momentum back but were again unable to score and we took a 51 point lead into half time.

We reminded to the boys to be relentless in the second half and not give SMD an inch and they came out and iced the game kicking another 7 goals to take a 100 point lead at 3 qtr time. the last quarter went exactly the same as the first 3 and saw us win by 136 points and more importantly book a spot in the Grand Final! It was a great team effort all day with every single player contributing which will hold us in good stead heading into the grand final. A performance like that should give every player confidence that we can go out and get some revenge on Beaumaris and have a real crack at winning the Premiership! Great stuff boys!
