Date: 22.6.2016

Purpose:

Each of our basketball programs has their own uniform requirements. Teams within the Association should display a positive image when wearing the uniform in stadiums and at training

Players

Implementation:

Compulsory uniform” means that:

WBA has as a strong commitment to promoting a positive image of the Club within our local community. WBA takes pride in the way our members represent themselves on and off the court.

Players who register in a program are expected to wear all relevant uniform elements of clothing.

Players entering any basketball stadium must be wearing the compulsory uniform as defined for the program.

The Association recognises that in circumstances where religious and cultural beliefs conflict with these uniform guidelines that reasonable variation may be required.

The WBA adheres to Basketball Victoria and other association policies (e.g. EDBJA) that govern the wearing of jewelry and hair accessories.
