WHAT WE OFFER

Online ordering process: Game Guardian offers an on line platform through gameguardian.com.au/club-mouth-guards/ to order your mouth guard. Claimable invoices are issued immediately through email. All online orders receive a free backup BOIL and BITE mouth guard that can be used in the interim or in a case of an emergency where custom mouth guards are lost.

Lost mouth guards: We keep all the impression models for the entirety of the season and offer a 50% discount on any lost mouth guards from the same model.

Delivery: Game Guardian will deliver all completed mouthguards to the club free of charge or directly to members provided residential address for a small delivery fee.
