THE POWER OF NEVER GIVING UP

By **KRISTEN ALEBAKIS**

Last weekend I was at an Under-13 Semi Final match between Sunshine Heights and West Footscray.

The Dragons finished the season on top of the ladder and the last time these two sides met they won by more than 100-points. So before the match, you would be forgiven to think that the match could be a one-sided affair. However, it wasn't the case.

The Roosters put in a gallant performance and won the match by 24-points. It was an incredible game from a group of youngsters who never once gave up.

The team kept fighting until the final siren sounded and have now earned a spot in next week's Grand Final.

Sunshine Heights will get another chance to book their Grand Final spot, when they take on Sunshine on Sunday.

It just goes to show that anything can happen on game day. You should never ever give up. You are always in with a chance and West Footscray proved that on the weekend.

Hopefully, players and coaches can play with the same attitude throughout the final two weeks of Junior Finals.

Junior teams from across the west will also go head-to-head in the first weekend of Grand Final matches.

Nine junior teams will be crowned champions and a further nine teams will be premiers next weekend.

The elation when the final siren sounds and your team is in-front is something all footballers want to feel and achieve, whether it be at junior or senior level.

Some players at the end of their footy careers may not have had a chance to play in a Grand Final let alone win one, so if you do get to experience the joy of winning a Grand Final and get to hold the premiership trophy at the end of the game, make sure you soak it all in and appreciate what you have been able to achieve this season.

If you don't win, by no means has your season been a failure.

All teams involved in the 2017 Junior Finals Series should be proud of their achievements this year.

Finally, if you take any photos from Week 3 of Junior Finals and would like it to be featured online or in the next edition of the Footy Record, please email it to k.alebakis@wrfl.asn.au

See you at the footy.

As per WRFL By-Law 3.28, in the event of a draw in any of the final series of matches up to and including the Grand Final, the match shall continue under the rules of extra time until one team can be deemed the winner. At the completion of official time both goal umpires will confer and confirm to the field umpire the score is level. If this is confirmed both teams will change ends and play for five (5) minutes (no time on). After five (5) minutes (no time on), both teams will again change ends and play for five (5) minutes (no time on) at which time both goal umpires will confer again. 1. Seeing your GP for an annual health check
2. Knowing your healthy weight range
3. Knowing your blood pressure
4. Talking to mates about your general health

Our women took on the might of Kellor today with the winner to advance to the Grand Final.

In a milestone game with 3 premiership team mates, Megan Seckold, Dayle Dunshea & Keri-Anne Schellen playing their 50th Game.

In windy conditions at Burnside, our girls pressure in the first half kept Kellor to one goal in the first quarter and Madison Ahumada slotted a goal just before quarter time to let Kellor know they were in for a game.

Kellor took the ascendancy in the third quarter slotting 4 goals, with limited opportunity as both back lines were on top.

We made Kellor work for their 42 point win, as despite having our fair possession of the ball, we were inefficient in our forward line.

We came out of the game injury free, which is a bonus heading into next weeks Preliminary Final against Sunbury.

Last time the 2 sides met, it was a comfortable win to Manor Lakes, but in a do or die affair, the girls a desperate to have one more crack at Kellor, and no where better than in a Grand Final.

Best of luck next week and game details are TBA.

COACH OF THE MONTH

THE WRFL is pleased to announce that in season 2017 the Western Region Australian Football Coaches Association (Western AFCA) is offering you and your club the chance to recognise the effort of your coaches with the AFL Victoria WRFL "Coach of the Month" Award.

The purpose of the awards is to recognise the significant contribution of coaches to the conduct and development of Australian Rules Football in Victoria and in particular the Western Metropolitan Region. Visit the WRFL website to make your nomination.

Monthly nominations will be called for the months of April, May, June, July and August. Anyone, including club officials, players, and parents, can place a nomination for a coach, however nominations will be ratified by a relevant club official prior to the winner being announced.

One monthly winner will be the recipient of the AFL Victoria/WRFL Coach of the Month Award, and will receive a Coaching Resource Package and a \$50.00 AFL Store Voucher. The winning nominator will also receive a \$50.00 AFL Store Voucher.

Monthly winners will be decided at the discretion of AFL Victoria Football Development Managers. Each monthly winner will then be eligible for the Western Coach of the Year Award, conducted by Western AFCA to be announced at the WRFL Junior and Senior Presentation Nights.

If you have any questions about this or any other related football matters please do not hesitate to contact AFL Victoria Football Development Manager Nish Moses via email nish.moses@afl.com.au

GENERAL INFORMATION AND PROCESS

1. Entries close by 5pm on the 5th of the subsequent month, with the winner announced in the days following. (I.e – nominations for April Coach of Month will close on May, 5th at 5pm).
2. ALL monthly winners will automatically be nominated for the AFCA Regional Coach of the Year Award, conducted by the Western AFC
3. The Regional Coach of the Year in each category will then be eligible for nomination for the Victorian State Coach of the Year awards to be presented at the State awards in November at the MCG
4. Coach of the Year winners decided by the Western AFCA Committee

PURPOSE OF THE AWARDS

1. To recognise the significant contribution of coaches to the conduct and development of Australian Football in Victoria and in particular the Western Region.
2. To recognise the achievements of coaches who give quality service to the game in that they:
 - i. Display strength of character in the role of coaching
 - ii. Foster enthusiasm for, interest in, and an excellent attitude to participation in football
 - iii. Give quality value to the goals and purposes of Club and League football.

Buying a home is an important decision and purchasing your first home, even more so. It can be a tricky and somewhat daunting process which is why it is essential to do your homework, have a plan and budget, and seek expert advice before jumping in.

Here are some quick tips to help avoid some of the common traps when taking your first step onto the property ladder:

- Be clear on what you can afford to spend to avoid looking at properties that are out of your price range.
- Work of the best home loan for you and check the ongoing repayments taking into consideration interest rate increases over time.
- Get pre-approval for your loan so you know exactly what properties you can afford to be looking at.
- Understand all your costs such as stamp duty, pest and building inspections, insurance and legal fees.

MAKING A GRAND FINAL IS A WONDERFUL ACHIEVEMENT

By **GRAEME HODGART**

The first of the Junior Grand Finals are upon us this weekend.

After the dust settles there will be some teams and clubs rejoicing while the vanquished will be lamenting on an opportunity lost. Hopefully there is more to our great game than simply winning and losing.

It is a wonderful achievement to be victorious and bring home the bacon. There are many people who desire, dream and hope to be in that position. The basic reality of the situation is that only a select few can stand on the winning podium grasping that precious piece of silverware.

Some umpires begin the season with a goal in mind. It is usually a particular Grand Final that they are aiming to officiate in come the end of the season. Others cling to the hope of a certain grade that they would like to participate in during the finals.

When the end of the season comes, they will know for sure whether they have reached their goal or how close they have come to doing so. On one hand there will be disappointment and on the other hand there will be euphoria.

A wise person once said, to a crestfallen fellow, "There will always be next year." While this may be true in many circumstances, it may not necessarily apply to all.

In regards to both footballers and umpires alike, this simply may not happen. Various reasons may intervene and prevent some from 'pulling on the boots' for another season regardless to whether those boots be black or white.

Congratulations to all those clubs and umpires who are officiating in the junior grand finals both this weekend and also next weekend. A special mention should be made of those umpires who have been appointed to their very first Junior Grand Final. Hopefully everyone involved can step up and put their best foot forward.

And may the true winners be all those who have strived hard to improve during the season, whether it be the pre-season slog or the long home and away series or tense the finals' series, and who have developed skills and abilities and friendships that will last them well and truly beyond their days of lacing up football boots or umpiring boots.

QUIZ

The ball is kicked forward and a player juggles the ball for a mark. The first grab is before the goal line and the second is behind the goal line. The field umpire blows the whistle for a mark as the goal umpire is signalling touched. What happens next?

- (a) The field umpire says all clear and a behind is recorded.
- (b) The field umpire and the goal umpire confer to decide whether a mark is awarded or if a behind has been scored.
- (c) The player takes their kick after being awarded the mark.

While all answers could actually happen in this situation, the better answer is (b).
