SA Country Basketball wishes to congratulate everyone selected to be part of the Emerging Athlete Development Program. Please see below for a list of athletes who have been placed into a squad following the trials on the 31st of October. Selected athletes will receive an information letter in the coming days, with all the key information relating to the program, including the Adelaide Invitational Challenge.

Please note that we have had approximately 400 Athletes trial to be part of the EADP program over the last month and selecting teams in a short amount of time is a difficult task. As such, we are often unable to provide specific tailored feedback to the approximately 250 athletes that were not selected to the program.

Once again, congratulations to the athletes selected, and best wishes for your performance in the program over the coming 12 months.
