Lameroo Social Club Report

Welcome back to another big year of Footy, Netball and all things Social.

We are lucky to have 15+ enthusiastic members involved in the Social Club this year, which has allowed us to plan some exciting events for the year ahead.

Along with the usual post-game celebrations at the sports club, we will be looking at throwing a few relaxing Sunday Sessions with some live music, catering by some local foodies, fun and games for the kids and some AFL footy on the big screen. Keep an eye out through our Facebook page for more information during the year.

Please ensure you check out the tea roster for when it's your turn to help out. Last season we had teams (and partners/parents) working to put together some delicious meals, so will again use this format.

A couple of new items have been added to the Hawks merchandise shop for 2022, as well as some of the old favourites, so keep an eye out on the Social Club Facebook Page for updates in the next couple of weeks.

The Social Club are keen to throw some events over the summer and utilise our great facilities we have, as well as working on a 'major project' we have in the pipeline. Looking forward to sharing more info on this as the year rolls on.

As we come to the backend of Covid, I am sure we are all looking forward to getting out and about, so we would love to see you all stick around and support our home game teas and events.

See you at the first home game event where we welcome back everyone's Favourite, DJ Rob, spinning tunes for all ages from 7pm.

Cheers,
Josh Barrett

Sports Club Report

2022 was a challenging with COVID restrictions, weeks off and then finals we didn't expect to have.

Congratulations to all clubs for adapting to the difficult circumstances and allowing our community to enjoy sport and companionship again.

Although it was a quiet year in regard to building improvements, the Sports Club Committee continue to plan to erect a permanent wall on the Northern side of the outdoor area and replace the internal ceiling and floor covering. Potential projects include a decking on the Southern side of the building, over-looking the oval, and constructing a shed for storage of the bus.

Congratulations to the Auxiliary on another year of providing fantastic food, and the Social club for organising great meals and entertaining events on Saturday nights. All community members appreciated the opportunity to mix socially again after a year off.

Thank you to all committee members, especially Dave Philbey, Bar Manager and Debbie Longstaffe, Treasurer. We welcomed Bree Walker who took on the role of Secretary, and Sophie Cattle who is now the Bookings Officer. It's great to have new enthusiastic volunteers involved.

Thanks to Cam Barrett for his work in storing the bus in Adelaide, and organising the bus transport for the travelling players.

My time involved with the Lamerook Sports Club is coming to an end. Although Suzanne and I are planning to spend more time at our new home in Meadows, Lamerook will always be a very special part of our lives. I have personally enjoyed being involved in the construction of our Sporting Club model over the past 25+ years. In that time, we have created a unique sporting hub which we should all be very proud of. I believe, the greatest achievement in my time with the Sports Club was the initiation of the 'Sports Club Model'. When started, there were no guidelines on how combined clubs should operate. Through a lot of pro-active thinking from many volunteers, we now have a model which is being adopted by other clubs. The Office for Sport and Recreation have written a report on our vision and adoption as a combined sporting body, which is available for other community clubs to view.

As most of you are aware, the town is experiencing an increase in new residents. I encourage all clubs to welcome and involve these new locals so we can continue to offer sport in our district.

In closing, I look forward to watching the future of the Lamerook Sports Club continue to grow.

Wishing you all a great year ahead in 2021.

LYNTON BARRETT
OUTGOING PRESIDENT

Netball Club Report

We're back! Welcome to the 2022 season. 2021 was quite the year, winning our first A Grade Premiership in 11 years and the B grade boys bring home a flag as well.

After coming down from these amazing wins the 2022 coaching team and executive committee have been busy in the 'Hawks nest' preparing for the coming season. We look forward to having you along for the 2022 netball and football season.

Muriel has been busy recruiting after 6 out of 8 A graders from last season will be missing from the court. Some have decided to take on new challenges and some are bringing new life into the hawk nest. So, we will be welcoming some new faces to the club, as well as some returning faces.

Our seniors have been busy training for a few weeks and have enjoyed hitting the court again and being together. They've already participated in lightning carnival against Pinnaroo and Peake and have had a trial match coming up against Mypolonga; just to name some of their preseason activities. This season we have filled all 3 senior sides and we will return to 3 playing times, with sides rotating times each round. This is very exciting for spectators as you now have more action to enjoy and don't have to split our time between 2 courts.

Junior grade trainings are well and truly underway, with coaches Jess (E Grade), Rayne and Kat (F Grade), Ellie (G Grade) Bec (Go) and Catherine (Net Set) preparing their Hawkettes for the season ahead. The future of our netballers is in good hands!

In 2021 we had a fantastic success across all grades, with all teams making finals. Fingers crossed we have more side take after last years A grader and bring home a flag or two.

I am looking forward to catching up with all of our past members and welcoming new members, seeing you courtside for some exciting matches of netball. The Lameroo Hawks Netball Club is indeed a wonderful Club to be part of. Please do not hesitate to contact myself, or any one of our wonderful Executive team if you have any queries!

Football Club Report

Welcome to the 2022 season. The current covid & economic situation has affected many people, both socially & economically. It's great to get Football & Netball up & running again for another season, to ease that pressure & get back to a somewhat normal & enjoyable life!

The off season has seen a few changes in our Footy committee. I would like to thank those outgoing members for their contribution to our club, & also welcome our incoming members. The new committee comprises of the following:

2022 committee comprises of:

President: Stephen Kerley

Vice President: Jarryd Finch

Junior Vice President: Matt Ridgway

Secretary: TBA

Treasurer: Tony Secomb

Committee Members: Mark Trowbridge, Tom Bell, Justin Cattle, Rodney Maynard, Duane Simon, Josh Ridgway & Brad Zerk.

I would like to thank the ongoing support of our many sponsors, financial members, volunteers, supporters and playing group. You all play a vital role in running and maintaining a successful club, not just on the field, but off the field also.

Matthew Dent once again is coaching our A grade side, with the help of Jed Northcott & Rodney 'Rocket' Maynard. Justin 'Plugga' Cattle returns as Reserves coach, after having a successful year in 2021 bringing home the flag. Rodney Maynard with assistance from Craig Zerk will guide the Senior Colts. Chris Mead, Tom Bell and Brenton Pudney will be taking care of the junior colts. We wish these fella's every success for their prospective grades.

Senior player numbers are looking quite strong, having recruited some great players to complement our existing player list. I would like to welcome all new players and thank you for choosing to play for the mighty Hawks. Thanks to the whole playing group for your commitment so far leading up to the start of the season.

Junior player numbers are low, however this is a common theme throughout the league. It's great to see a few new faces amongst the playing group. They are all looking enthusiastic on then training track and we wish them well for the season ahead.

Donald Spratt will again be our Head Trainer along with his team of helpers. These volunteers play a huge part in getting our teams on the park every week. We would like to thank them for their time and effort, the players do really appreciate everything they do each week.

I would like to wish all netball and football teams the best for the 2021 season.

Regards,

Stephen Kerley
