

XI SOUTH PACIFIC GAMES

1999 - GUAM

RESULTS

Athletics Results

Summary

The athletics competition in Guam had representatives from 19 of the 20 countries and territories present for the XI South Pacific Games.

The Results are presented in the following pages by event for men and then for women and a tabulation is made of medal performances of jump events, throws and track events. For this purpose the Decathlon and Heptathlon was included in the Throws section. For each event, the Olympic qualifying standards as set by the IAAF are recorded for reference purposes.

Based on Medal Tally (Table 1) overall, Fiji dominated the athletics with 16 gold, 11 silver and 7 bronze medals. They were closely followed by New Caledonia with some distance to Tahiti, PNG, American Samoa, Tonga and Vanuatu. When Expressed in points awarded to the top places, (Table 2), the order remained much the same with PNG closing the gap on Tahiti, Tonga moving into 5th place and Guam into 6th place overall on the basis of the depth of their results.

Overall, 9 countries won gold medals and 13 countries won a medal of some colour. Only Nauru, CNMI and Kiribati failed to record a finish in the top eight of any event.

For men, Fiji scored 11 gold medals for a total of 21 medals from New Caledonia on 7 gold, total 13 and Tahiti with 3 gold for a total of 9. Only five countries won gold medals in the men's competition while 12 countries won a medal and 15 countries scored a top eight finish. (Table 9)

Closer analysis shows that New Caledonia won all of the men’s jump events (Table 3) and only 4 countries won a medal. On the track, Fiji men dominated with 9 gold medals (Table 4). Only 4 countries won gold on the track although 9 managed to win a medal. In the throws (including Decathlon), New Caledonia won 3 throwing events and Fiji won 1 throwing event and the Decathlon. Six countries won a medal in the throws for men (Table 5).

For the women’s competition, The result was much closer with Fiji winning 5 Gold to New Caledonia’s 4. The four gold medals for the jump events, were shared equally by four countries, while 5 countries secured a medal (Table 6). On the track scored 4 gold and 4 silver despite 2 DQ’s after winning easily the relay events. 7 countries won gold and eight overall (Table 7). The throws were dominated by American Samoa with 3 gold medals from New Caledonia and Tahiti (Table 8).

We can draw any number of conclusions from the following results, which have been presented to enable the reader to do just that. It would appear however that Fiji continue to dominate track events for both men and women while the jumps and throws in particular are the domain of New Caledonia. It further appears that although there were less female athletes present in the competition, the performance was spread more evenly than for the men’s competition.

Softball/Baseball

Softball have not been common to the South Pacific Games, however due to their popularity throughout Micronesia, Guam, as Host, elected to conduct competitions in Men's Baseball, Men's Fastpitch Softball and Slowpitch Softball for men and women.

Even though Baseball and Softball have different International Federations, they have been put together for the purpose of analysis.

Altogether, 10 countries participated in the Softball/Baseball competitions, with 6 entries for baseball, 5 for men's slowpitch, 8 entries for men's fastpitch and 9 entries for women's slowpitch.

Table 1 details the profile for the top eight finisher's in each discipline.

Basketball

Fifteen Countries entered the Basketball Competitions making it the best represented of the team sports in the XI South Pacific Games. This is testament to the aggressive and successful development programs being undertaken in the Region Sponsored by the FIBA and IOC Solidarity. Five countries shared the six medals available with host nation Guam being the only dual medallist with Silver and Bronze. On the basis of the Medal tally and top eight finishing places, the most successful countries in Basketball were as follows:

Country	Gold	Silver	Bronze	4th	5th	6th	7th	8 th
Tahiti	1				1			
Samoa	1							
Guam		1	1					
Fiji		1		1				
New Caledonia			1		1			
American Samoa				1		1		
Palau						1		1
PNG							2	
Vanuatu								1

The same five countries also shared the top five placings with a clear gap to the next teams. Surprisingly American Samoa with a disappointing 4th and 6th place finished 6th overall.

Nine teams managed a top eight finish in the tournament.

Men’s Competition

There were 14 teams entered for the Men’s Basketball competition. These were split into three Pools of 4, 5 and 5 respectively. Top Six Teams were selected from the top two teams in each pool. These teams carry forward their results from the Preliminary Rounds and then play off against the other teams.

The Results of the Preliminary Rounds and the Top Six and Bottom six Pool Play are at Attachment 1.

Rugby

Won comprehensively by Fiji. Ten countries took part in this tournament, an impressive turnout with the absence of regulars like Tonga, Cooks, Samoa and American Samoa. This sport seems likely to become very competitive at future SPG's.

Swimming Results

Summary

The swimming competition in Guam had representatives from 9 of the 20 countries and territories present for the XI South Pacific Games. A total of 34 events were conducted, 17 for each of the men and the women, contributing significantly to the overall medal tally for the Games.

The Results are presented by event.

Dennis Miller has provided a summary of the results and compared performances to the current FINA qualifying standards for the Sydney 2000 Olympic Games. A total of 18 SPG Records were broken during the meet, 9 for women and 9 for men, which means that records were broken in just over half of all the events. Leo Biggs PNG and Carl Probert swam FINA B times for the Sydney Games as did Caroline Pickering from Fiji.

It is clear that the swimming competition will provide plenty of opportunities for winning medals at future Games.

Table 1 provides a profile of finishing places for each country. New Caledonia with the services of Olivier Saminadin dominated with 14 of the possible 17 gold medals with only PNG able to pick up gold. Six of the nine countries with male competitors won medals in the Pool.

Table 2 provides a profile of finishing places for the women's competition. Only 7 countries took part in the women's events, which were also dominated by New Caledonia other than for the outstanding effort of Caroline Pickering from Fiji. Four countries out of the seven won a medal and the same four won gold in at least one event. Notably, Guam and Tahiti did not produce medal winners from their respective women's teams.

Table Tennis Results

Summary

The table tennis competition in Guam had representatives from 10 of the 20 countries and territories present for the XI South Pacific Games. A total of 7 events were conducted, 3 for each of the men and the women, plus a mixed doubles competition.

10 countries took part in the men's competitions and 5 countries in the women's competitions.

The Results are presented by event in full detail.

Table 1 illustrates the clear dominance by New Caledonia in this event, although Vanuatu surprised with a strong showing for second place overall. Six countries managed to win a medal despite New Caledonia's sweep of the gold medals.

Volleyball at the XI South Pacific Games

The Volleyball competition in Guam for the XI South Pacific Games was highlighted by the fact that Beach would be played for the first time and the Volleyball competition would include most of the teams from the Micronesian Region, also for the first time ever.

The Beach Tournament was directed by the Chairman of the Asian Beach Volleyball Commission Mr Tony Liao and included 7 entries for women and 12 for men.

The Volleyball competition was overseen by Mr Tomas Santamaria from Australia, representing the Asian Volleyball Confederation.

The Volleyball competitions yielded 4 medal events. To determine the final placings of each country overall, an assessment of the placement in each event was made.

Three Countries won gold medals in 4 volleyball events, while 7 countries won one of the 12 medals available, which is an excellent spread of results. Tahiti dominated the indoor competition as expected while Fiji won on the beach with a gold and bronze medal performance. Fiji were the only country to win medals in all four volleyball disciplines in Guam. Only three countries, (Guam, PNG and Fiji) entered teams in all four volleyball events.

Results of the Volleyball Competition.

There were 11 countries entered in the Volleyball competition for both the men and the women. The tournament was weakened somewhat by the absence of the powerful teams from Samoa and American Samoa, however this did not detract from the quality of the competition or the value of the medals which were fought for.

Results of the Beach Competition

There were 9 countries entered in the Beach competition, making up 10 teams in the men's event and 7 teams in the women's event. The numerical entries were a little disappointing given the emphasis that the FIVB has put on developing Beach around the Pacific, however given that this was the first ever appearance for this event in a South Pacific Games, the turnout was not too bad. Many women's teams elected not to come to Guam in fear of the strict FIVB dress codes for their competitions.

The women's competition decided the first medal of the Games ensuring a great deal of publicity right around the Region. The medal ceremony was moving, with the Gold being presented by the Governor of Guam, as part of a special effort for the first presentation of the Games.

Weightlifting Results

Summary

Details of the Weightlifting Competition are not fully available at this time. Only the medallists are known. For this reason a full analysis against international standards is not possible.

There were 7 categories, for women and 8 categories for men yielding a total of 45 gold medals,

18 countries took part in the weightlifting overall, with 13 countries sending women's teams. Two countries, PNG and Nauru had complete women's teams.

The men's medal profile is at Table 1. Nauru won 12 of the possible 24 gold medals, 5 in the Clean and Jerk, 3 in the Snatch and 4 overall.

Nevertheless, 5 countries shared the gold medals and 10 countries won medals in the men's section of the weightlifting

The women's competition was also dominated, as expected by the Nauru Dolphins team. They won 15 of the 21 gold medals available to them sharing only with Fiji, American Samoa and PNG. This included a near sweep of 6 gold medals out of 7 in the clean and jerk section.

8 of the 13 countries present won medals in women's weightlifting.

Wrestling Results

Summary

Wrestling was held in two styles, Greco-Roman and Freestyle, over eight weight categories for men only, yielding 16 gold medals in all.

8 countries took part in the wrestling overall, with the main interest coming from the countries of Micronesia.

The freestyle medal profile is at Table 1.

Samoa dominated in freestyle wrestling with a powerful and aggressive style to win 4 gold and 1 silver medal. The depth of Guam showed with its 7 medals overall, however 8 countries won medals and four shared the gold, which was encouraging for all.

Table 1: Final Placing for Freestyle Wrestling for Men

Country	Gold	Silver	Bronze	4th	5th	6th	7th	8th
Samoa	4	1						
Guam	2	2	3					
Solomon Is	1		1					
American Samoa	1							
Palau		3						
FSM		1	1					
CNMI		1	1					
Marshall Is			2					

In the more technically demanding event of Greco-Roman wrestling, Guam and Samoa shared 3 gold medals each with the Solomon Is. and American Samoa sharing 1. (Table 2) Once again all eight nations won medals with the more confident Marshallese improving their ranking in this category.

The results as attached showed the competition to be very tight with a number of decisions going either way and little more than a point separating competitors.

Wrestling has traditional roots in the Pacific Islands and it was good to see this sport taken on at the XI South Pacific Games.

Table 2: Final Placing for Greco-Roman Wrestling for Men

Country	Gold	Silver	Bronze	4th	5th	6th	7th	8th
Guam	3	3	1					
Samoa	3	2						
Solomon Is	1		3					
American Samoa	1							
Palau		2						
Marshall Is		1	2

CNMI								

As illustrated in Table 3, Samoa and Guam cleared away to win the majority of gold medals in wrestling.

Table 3: Final Placing for Wrestling Overall for Men
