

ANNUAL NCCUA AWARDS NIGHT 2010

The President and Committee would like to extend a warm and sincere welcome to our Annual Awards Presentation Night for 2010.

Firstly the Committee would like to take this opportunity to thank Sue Crowhurst for helping organise the event and devoting her precious time in decorating the room for tonight's function.

2010 represents the eleventh season the NCCUA has participated and provided umpires for the Black Diamond AFL competition. We reflect on the achievements of those umpires who have devoted their time over the last ten years to umpiring in the region. The following umpires are congratulated for their continued ongoing involvement in umpiring since the inception of the BDAFL competition in 2000. They include;

- Ray Dinneen, Roy Reichert and Neville Turner who have umpired for eleven seasons,
- Lee Gardener, Darrel Luck and Steve Welsh who have umpired for ten seasons,
- Phil Stone and John Sullivan who have umpired for nine seasons.

Without the involvement of these umpires, this Umpires Association would not be in existence today. We would like to take this opportunity to also recognise and thank our Life Members for their continued support and involvement in the Newcastle Central Coast Umpires Association and umpiring in the region.

Tonight we thank other past umpires and congratulate those umpires for setting the standards that have been put in place over the past eleven seasons. We recognise their efforts in announcing the 'Umpiring Panels of the Decade'. To be named in one of these three panels (BD Cup, Reserve Grade or Under 18's) is a great achievement which reflects the number of games umpired, the years of service in umpiring and the number of grand finals that they officiated in since 2000.

The Association would like to acknowledge and thank the 'Green Shirt' Umpires for their efforts and commitment to umpiring in 2010. The Umpiring pathway that the NCCUA has in place is providing results with young umpires being given opportunities at the highest level of competition in the region. We thank Roy Reichert (AFLGSJ Newcastle Umpires Manager), Roger Stokes (AFLGSJ Central Coast Umpires Manager) and Carl Fletcher (Umpire Development – North) for their continued support in making possible the opportunities for umpires to progress along the umpiring pathway. This can only continue in the future with the continued co-operation from the junior competitions in the region.

Tonight we celebrate the achievements of all the members of the NCCUA who umpired in the 2010 Black Diamond AFL, AFLGSJ Newcastle and AFLGSJ Central Coast competitions. We celebrate the efforts of all umpires in the NCCUA as they have worked hard to achieve their goals this year.

We would ask that at every opportunity that you please make your appreciation of umpires achievements known tonight by acclamation.

We would lastly like to take this opportunity to thank the following people for their help in 2010 –

- Mr Ron Oeser (Carlton and United Breweries), for his assistance in providing sponsorship to the NCCUA during 2010.
- Mr David Ferris, our resident photographer for the great snaps from games throughout the year.
- Mr Roger Crowhurst, for his help and assistance with coaching throughout 2010.

We thank you for sharing our night with us and helping to make this night the pinnacle of our umpiring season. We hope that you have a pleasant and fun evening.

We would like to leave you with this final thought that we as umpires believe highlights what umpiring is about,

'Success always occurs in private and failure in full view'.
