Above listed the Committee for 2011.

Darin asked if any one had anything that they would like to address to the 2011 committee.

David McKellar stepped forward and address the committee about the 2011 U16 McDonalds Premier Cup team and how they were going to handle the pre-season training and structure. Also asked what was happening about getting a coach appointed and the 18 players names for BJ by 1/12/2010. Suggestion we speak to Seniors about getting funds to support the pre-season training program as they can only benefit from this team with future U18 players coming thru the club - David is submitting to the committee a breakdown of funding required for proposed elite third party training program.

Response from committee: Darin will speak to BJ about their plans for the Premier Cup team and getting a possible extension on the list of names, so that we can advertise and appoint a coach. Prior to any training the players need to be registered for insurance. Until the forum on the 27th October the committee can not make any concrete decisions and it will need to defer any discussions.

In the meantime Shane Pay will advertise the U16 caaching position and the closing of the applications will be moved forward to the 26th October 2010. (The other coaching positions will remain closing on 12th November 2010)
