2008 FINALS

E-Footy RECORD

AFLQ STATE ASSOCIATION
Editorial with Doug Hale

Last week marked the start of the State Association final series with a Friday night semi at Aspley. The trend for the weekend started with some fast and furious footy and ended on Sunday with a win for the Logan Cobras women's team in their Grand Final and are most probably still celebrating.

This week does not seem to be any different with the second semi in div 1 at Caloundra the preliminary in Div 2 at Yeronga and the preliminary in div3 at Kedron there seems to be a final happening on all corners of Brisbane including the Sunshine Coast.

After last weekends games there were a few teams that had a quiet beer on Monday and for the ones that are still in the race training as usual on Tuesday Night. I know that there a few players with a bigger smile on their faces than usual at training after winning some hardware at the medal count.

Div 1 Best and Fairest was Willie Broome from Wynnum with Luke Faulkner taking out the goal kicking.

Div 1 Reserve Best and Fairest was Ricky Conway also from Wynnum with Rob Clemesha taking out the goal kicking.

Josh Norman from Caloundra was awarded the Most Valuable Player for 2008

Div 2 Best and Fairest was Andrew Kouvaras from Redcliffe with Josh Murray from Robina taking out the Goal Kicking.

Div 2 Reserve best and fairest was Jim Rapkins from Beenleigh with Jamie Wardley from Robina taking out the Goal kicking

Div 3 Central Best and Fairest was Anthony Kumar from Aspley with Paul Gay from Wilston Grange taking out the goal kicking

Div 3 North Best and Fairest was won by Michael Gafa from Noosa with Brad Franklin the Goal Kicking.

And last but not least the women's league Best and Fairest was Mica Cubis from Kedron and the Goal kicking was taken out by Katie Brennan from Logan Cobras.

Good luck to all the teams this weekend

Previews

Caloundra v Wynnum at North Street (Caloundra)

With both teams having the week off after the home and away games they should be pumped up to put in a blinder this week. With Wynnum having the Col Tobiasen medallist in Willie Broome in great form and Caloundra having the runner up and leagues most valuable player in Josh Norman, the battle around the centre will be worth going to see. This game is too close to pick with both coaches believing they can win this one with the winning team going straight into the grand final.

Caloundra v Uni Red Lions Reserves at North Street (Caloundra)

Once again both of these teams have had the week off and also should be ready to go, as Uni finished in top position of the reserve grade Caloundra will have their work cut out, as Uni are a pretty polished outfit. Maybe the home ground advantage will balance out the ledger. This match is also too hard to pick, one thing I am sure of, is which ever team does win, and they will know they have had a game of footy.

Robina v Beenleigh at Yeronga

Robina easily disposed of Moorooka last week in the first semi and are getting back to the form they were showing at the start of the year, their fast running style of football will be hard for Beenleigh to match. The Beenleigh coach believes his team can compete against Robina in all positions with the emphasis put on stopping the supply of ball to their award winning forward in Josh Murray. This game will go down to the wire with the victors being the team that can keep their nerve and execute their skills without too many mistakes.

Redcliffe v Beenleigh Reserves at Yeronga

Both of these teams have had mixed fortunes of late, with Redcliffe disposing of Ipswich last week in the first semi and Beenleigh going down to Robina in the Second, both teams know the importance of this week's game as a loss will mean mad Monday for one. With Beenleigh suffering from the loss of a few players due to injury, this is Redcliffe's best chance to join their senior team on Grand Final day. Beenleigh's coaching staff believes that they can take this one out regardless.

Aspley v Uni of Qld at Kedron

Aspley will come out firing this week after the loss to Strathpine last Friday night in the second semi. The Aspley coach believes last week's performance was certainly not up to the standard he expects from this team. Uni have been going about their business in a very quite manner, with all the expectations being placed on Aspley and Strathpine this season Uni have just snuck up behind them, and are now a real threat to take out this division. Aspley will be boosted by the return of their medal winning dynamo in Anthony Kumar, who did not play last week. This will be a great game of footy at Kedron on Saturday with a spot in the Grand Final up for grabs.

Maroochy Northshore at Nambour

Noosa will have it's work cut out this week as the Roo's will not take the loss to Nambour last week in the second semi too well. Noosa also had a good win against Gympie so this match at Palmwoods will be a bobby dazzler. Nambour have been the team to beat this year and one of these teams want another crack at them. The best thing to come out of this match will be the Grand Final at Pomona next week will also be a game to go and watch.
